>> Mayor Ishii: I'M GOING THE CALL TO ORDER THE MARCH 25TH, SPECIAL

MEETING OF THE BERKELEY CITY COUNCIL.

TODAY IS TUESDAY, MARCH 25TH, IT'S 4:00 P.M., OH, NO, IT'S NOT.

ACTUALLY, IT'S 4:09.

AND IF YOU COULD PLEASE TAKE THE ROLL.

>> OKAY.

COUNCILMEMBER KESARWANI.

ABSENT.

TAPLIN.

>> T. Taplin: PRESENT.

>> Clerk: BARTLETT, ABSENT.

TREGUB.

>> I. Tregub: PRESENT.

>> Clerk: O'KEEFE.

>> S. O'Keefe: PRESENT.

>> Clerk: BLACKABY.

>> B. Blackaby: HERE.

>> Clerk: LUNAPARRA.

>> C. Lunaparra: HERE.

>> Clerk: HUMBERT.

>> M. Humbert: PRESENT.

>> Clerk: AND MAYOR ISHII.

>> Mayor Ishii: HERE.

>> Clerk: OKAY, QUORUM IS PRESENT.

>> Mayor Ishii: ALL RIGHT.

HI.

SO WE'RE GOING TO START WITH THE CONSENT CALENDAR.

FIRST THING ON HERE IS PUBLIC COMMENT ON CONSENT CALENDAR AND

INFORMATION ITEMS ONLY.

IS THERE ANY PUBLIC COMMENT?

>> Clerk: THERE IS NO ONLINE COMMENTERS.

>> Mayor Ishii: OKAY.

SO MR. CITY MANAGER, IS THERE ANYTHING YOU WANTED TO SAY?

>> NO, I MEAN IT'S CODIFYING AN AGREEMENT WE HAD WITH THE LABOR

GROUPS THAT WE BROUGHT BEFORE YOU IN CLOSED SESSION AND THEN WE NEED

TO CODIFY IT IN OPEN SESSION.

>> Mayor Ishii: OKAY, THANK YOU. IN THAT CASE.

>> MOVE APPROVAL OF THE CONSENT CALENDAR.

>> SECOND.

>> Mayor Ishii: OH, ARE THERE -- IS THERE ANY OPPOSITION?

OR ACTUALLY, EVERYONE IS HERE IN PERSON SO WE CAN PASS THIS BY

UNANIMOUS CONSENT.

YES.

OKAY.

I'M GLAD EVERYONE IS HERE IN PERSON TODAY.

Unofficial Text File

IT'S SO GREAT.

SO LET'S MOVE ON TO THE ACTION CALENDAR.

WE HAVE NEW BUSINESS STARTING WITH THE PAVEMENT MANAGEMENT

INFRASTRUCTURE PLANNING PRESENTATION.

AND I WILL PASS IT OVER TO THESE FOLKS OVER HERE.

THANKS SO MUCH FOR BEING HERE.

>> GOOD LATE AFTERNOON MAYOR AND COUNCILMEMBERS.

I'M GOING TO INTRODUCE THE REST OF TEAM. I'M TERRANCE DAVIS. THANK YOU FOR BEING HERE TONIGHT WITH THE REST OF THE COMMUNITY TO HEAR THIS PRESENTATION. THIS WORKSHOP AROUND. SO LET ME INTRODUCE THIS ILLUSTRIOUS PANEL AND OTHER PEOPLE IN THE ROOM WHO ARE SUBJECT MATTER EXPERTS AND THOUGHT IT WAS IMPORTANT TO BRING FOLKS TO BE PART OF THE CONVERSATION JUST TO HEAR FEEDBACK.

>> WE HAVE JOE, OUR CONSULTANT WITH PEI WHO MANAGES OUR STREET SAVERS PROGRAM AND WE'LL TALK A LITTLE ABOUT THAT AND THEN RICARDO SALCIDO AND I'M DOING GOOD IF I GET THE NAMES JUST RIGHT. HE'S OUR ACTING SUPERVISING CIVIL RIGHTS RESPONSIBLE FOR OUR PAVEMENT PROGRAMS. ERIC ANDERSON IS OUR PRINCIPLE TRANSPORTATION PLAN. [TECHNICAL DIFFICULTIES] -- WE WANTED TO START THE CONVERSATION THE LAST POLICY NEEDED TO BE REVISITED AND NOT ASKING FOR THOSE -- THERE'S PLANNING INVOLVED AND STEPS AND HEAR FEEDBACK FROM YOU IN THE COMMUNITY. SO THAT'S THE PLAN. SO IN TERMS OF OUR DEFERRED ROADWAY RELATED INFRASTRUCTURE, THESE ARE THE -- THIS CHART REPRESENTS THE VARIOUS CATEGORIES OF ROADWAY RELATED INFRASTRUCTURE THAT IS DEFERRED. NOW,

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

I'VE LISTED HERE JUST FOR QUICK REFERENCE SOME OF THE SOURCES AND THIS LINES UP FOR THE MOST PART WITH WHAT WE'LL SEE LATER WHEN WE TALK ABOUT MEASURE FF. BUT OUR ROADS AND STREETS THERE'S A $250 MILLION NUMBER. THAT IS FROM OUR 2023 NTC METROPOLITAN TECHNICAL ASSISTANCE REPORT AND AS WE'VE BEEN DEVELOPING THIS THE 2025 DATA IS AVAILABLE. WE HAVE INCLUDED THAT SO JUST WANT TO POINT THAT OUT AND STREET SAVERS IS THE SOFTWARE WE USE TO CAPTURE THAT AND THE SIDEWALK INFORMATION IS CAPTURED FROM OUR CAPITAL IMPROVEMENT PROGRAM. THE $62 MILLION FOR BICYCLE SAFETY IS FROM OUR 2017 PLAN WHICH IS CURRENTLY UNDERGOING UPDATE AND ERIC CAN TALK ABOUT THAT. THE $61 IS FROM THE PLAN AND THE FWREEN INFRASTRUCTURE PLAN THOSE VARY BECAUSE OF THE IMPROVEMENTS AND THE ACREAGE BECAUSE OF PAYMENT PROJECTS, ETCETERA AND OUR ABILITY FOR ACQUISITION OF SPACE TO DO THAT. WE'LL ALSO TALK ABOUT THAT A LITTLE BIT. AND THEN ACCESSIBILITY. WE DO HAVE AMERICAN WITH DISABILITIES ACT SELF-EVALUATION AND TRANSITION PLAN. WE TYPICALLY REFER TO AS ADA TRANSITION PLAN. IT HAS $47 MILLION OF IDENTIFIED DEFICIENCIES THAT WE WOULD OVER TIME WORK TO MEDIATE. SO THAT IS THE PICTURE AS WE START THIS AS WE TALK ABOUT ROADWAY RELATED INFRASTRUCTURE. SO, LOTS OF PLANS AND WE KIND OF COME AT THIS WITH THIS AWESOME AMOUNT OF INFORMATION AND TOOLS AND THE ABILITY TO APPROACH THIS NEW FUNDING SOURCE IN THE REPORTING'S RESPONSIBILITIES ASSOCIATED WITH A PLETHORA OF PLANS AT OUR DISPOSAL WE CAN LEVERAGE AND PROVIDER THOSE FUNDING PLANS. AND THE VISION 2050 FRAMEWORK, I HAVE AN OPPORTUNITY TO LAYER THOSE TO TAKE ELEMENTS FROM ALL THE

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

VARIOUS PLANS AND POOL THEM TOGETHER TO PRIORITIZE AND MAKE SOME IT DECISIONS WITH THE ADOPTIVE PLANS. OF COURSE, WE ALSO HAVE THE CITY'S GENERAL PLAN AND ANY OTHER SPECIFIC PLAN AND COUNCIL REFERRALS WHICH ARE NOT LISTED HERE BUT THAT IS -- AS WE TALK ABOUT NEXT STEPS, WHERE WE'RE GOING WITH THIS IN TERMS OF THE WORK THAT'S IN FRONT OF US. SO, IN GENERAL FOR THIS LEVEL OF CAPITAL PLANNING. I'VE JOKED WITH FOLKS IN THE PUBLIC WORKS INDUSTRY AND SAID I BOAT ALL THIS MONEY. THIS IS DAUNTING. THIS IS A LOT. THIS IS CAPITAL TO BE ABLE GO OUT EVERY YEAR AND DELIVER PROJECTS FOR THE COMMUNITY. IT'S A GREAT PROBLEM THAT WE DON'T OFTEN HAVE IN OUR CAREERS. SO WE'RE LOOKING FORWARD TO IT SO NO FEAR, HOWEVER, IT DOES TAKE A LOT OF COORDINATION. SO, ONE OF THE MISCONCEPTIONS IS THE PLANNING DOCUMENTS THAT WERE AFOREMENTIONED, THERE ARE NO CONSTRUCTION READY DOCUMENTS IN ANY OF THOSE. SO OFTEN THERE'S A MISCONCEPTION OH, JUST DO TIER 1 PROJECTS IN THE BY PLAN, WELL, THEY'RE CONCEPTUAL LEVEL AND MR. COSTS HAVEN'T BEEN UPDATED SINCE THE COSTS WERE DEVELOPED. THAT IS WE WANT TO PUT OUT THERE THAT IS SOMETHING FOR CONSIDERATION. WE NEED STAFF AND CONSULTANT RESOURCES AND IT TAKES TIME TO SCALE THAT UP. RIGHT NOW WE'RE WORKING HARD IN THE BORING SAUSAGE MAKING TRYING TO GET THE RESOURCES IN PLACE TO MAKE SURE WE CAN ACTUALLY SCALE OUR CAPITAL DELIVERY TO THE LEVEL TO ACCOMMODATE THE NEW RESOURCES ASSOCIATED WITH MEASURE FF. A BIG ONE AND ONE HE'LL PROBABLY TALK A LITTLE BIT ABOUT THIS AS WILL JOE IS WE'VE SEEN VERY RAPID CONSTRUCTION PRICE ESCALATIONS YEAR OVER YEAR AND OUR DOLLAR DIMINISHES AND MANY IN THE PUBLIC SPACE HAVEN'T

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

BEEN UPDATED. SO WHEN WE COME BACK WITH NEW NUMBERS, THAT MAY BE A BIT OF A SHOCK BECAUSE THE NUMBERS IN THREE OR FOUR OR FIVE YEARS HAVE SIGNIFICANTLY ESCALATED. AND THEN THE LAST ONE IS JUST REALLY AROUND EXPECTATION MANAGEMENT IN TERMS OF WHAT WE'RE GOING TO BE TO ACCOMPLISH PRIMARILY BECAUSE OF THOSE PRICE ESCALATIONS AND REALLY THE POLICY DISCUSSION WILL ALSO PLAY INTO THIS AS WELL. RIGHT NOW LIKE SPECIFICALLY FOR MEASURE FF, THERE WAS A GOAL AND IN THE CITY'S COUNCIL PAYMENT PLAN A GOAL OF ACHIEVING 70 PCI. WE WILL NOT GET THERE. PRIMARILY BECAUSE OF COST AND WE WANT TO BE HONEST, OPEN AND TRANSPARENT AS WE START THE PLANNING PROCESS THERE'S NOT A PLANNING WE SEE WE GET THERE. BUT CERTAINLY THAT IS PART OF THE CONVERSATION. WITH THAT WHAT I'D LIKE TO DO IS TURN IT OVER TO JOE TO WALK THROUGH PAYMENT CONDITIONS AND REHABILITATION.

>> ONE OF MY FAVORITE SUBJECTS IS PAVEMENT AND WANT TO START GOING TO OVER DATA AND FACTS TO LOOK AT. THE CITY OF BERKELEY OF RESPONSIBLE FOR AND MAINTAINS 212.8 CENTER LINE MILES. TO GIVE YOU AN IDEA OF WHAT THAT MEANS, IF WE WERE TO STACK THEM END TO END AND THEN TRY AND GET SOMEWHERE WITH THAT, THAT WOULD GET US FROM HERE ALL THE WAY UP TO MOUNT SHASTA NORTH OR GOING SOUTH TO THE CITY OF PASO ROBLES. SO IT'S QUITE A LARGE NETWORK. OVER 39 MILLION SQUARE FEET OF PAVEMENT. THAT EQUATES TO 683 FOOTBALL FIELDS. WE HAVE AN AVERAGE PCI OF 56. TO REBUILD THE SYSTEM IT'S $1.2 BILLION AND THAT'S JUST THE ROADS. THAT DOESN'T INCLUDE CURB, GUTTER, SIDEWALKS, SIGNALS OR ANYTHING. THAT'S JUST PAVEMENT. LET'S MOVE ONLY FROM THERE. WHEN WE TALK ABOUT ROADS

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

WE LIKE TO CLASSIFY THEM BY USE. WE'RE FAMILIAR WITH FREEWAYS AND CALTRANS MANAGES THOSE BUT WHEN WE TALK ABOUT CITY STREETS WE HAVE THE ARTERIAL SYSTEM. THAT'S THE LARGER ROADS AND MOST USED AND THE BIGGEST STREETS. A COLLECTOR IS A MEDIUM USED ROAD AND HAS MEDIUM TRAFFIC AND RESIDENTIAL STREETS ARE SMALLER AND LESS TRAFFIC. SO WITH THAT IN MIND WE CAN KEEP GOING FORWARD AND TALK ABOUT SOME OF THE OTHER THINGS THAT WE NEED TO UNDERSTAND PAVEMENT. THIS IS AN IMPORTANT PICTURE. WHEN WE TALK ABOUT PAVEMENT IT'S IMPORTANT TO UNDERSTAND PAVEMENT DOES NOT DETERIORATE LINEARLY. IT DETERIORATES WITH AN S SHAPE CURVE WHERE PAVEMENT IS IN GOOD CONDITION FOR A WHILE AND FALLS OFF QUICKLY AND LEVELS OUT INTO A POORER CONDITION. WE'VE SEEN THIS PHENOMENON WHEN WE'VE DRIVEN ON ROADS AND WE'LL SAY WHEN WAS IT THIS ROAD GOT SO BAD BECAUSE WE'VE GOTTEN TO THE POINT IT'S DETERIORATING AND FALLING OFF FASTER. NOW PAVEMENT DETERIORATES TWO DIFFERENT WAYS. ASPHALT PAVEMENT DOES. FIRST BY OXIDIZING EFFECTS OF SUN AND WATER AND SECOND IS BY FATIGUE LOADING. THE CONSTANT BENDING OF TRAFFIC GOING OVER THE ROAD WHEN WE TALK ABOUT PAVEMENT TO HAVE BACKGROUND ON THAT ONE WAY IS BY LOADING. AS TERRENCE BROUGHT UP THE IMPACT OF VEHICLES ON A ROADWAY CONSUMES THE PAVEMENT LIFE SIGNIFICANTLY. WHAT WE DID TO HELP BRING HOME THE IMPACT OF THIS IS WE TOOK A CHEVY S10 BLAZER. WE CAN REMEMBER WHAT THOSE LOOKS LIKE. A SMALL SUV. WE EQUATED IT TO DIFFERENT TYPES OF HEAVIER VEHICLES. SO WHAT WE FOUND THROUGH OUR CALCULATIONS IS THAT ARE WILL ONE AXEL TRUCK IS TO 242 WHICH HEAVY S10 BLAZERS. CONVERSELY IF WE TAKE A FIVE

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

AXEL IT EQUALS ALMOST 15,000 SO WHEN WE TALK ABOUT PAVEMENT, WE'RE NOT TALKING ABOUT THE BUSYNESS OF THE ROAD, WE'RE TALKING ABOUT IS IT'S LIKE A BANK ACCOUNT AND BUILT SO MANY TRIPS IN THE ROAD AND AS THE HEAVIER VEHICLE GOES IN THERE'S WITH DRAWS AND IT'S USED UP THE ROAD IS AT THE END OF ITS SERVICE LIFE AND FALLING A PART. SO THESE ARE PICTURES OF COMMON TYPES OF PAVEMENT DISTRESSES THAT YOU MAY NOTICE WHEN YOU'RE OUT DRIVING AROUND. THE FIRST THREE WEATHERING, UNRAVELLING AND CRACKING ARE PART OF THAT ENVIRONMENTAL TYPE OF DETERIORATION THAT IS ONE PART OF PAYMENT DETERIORATES. THIS IS WHERE THE BINDER IS AGING BY THE OXIDIZING AFFECTS AS THE SUN BAKES THE ASPHALT IT BURNS OUT THE VOLATILES AND THE MASS OF THE STRUCTURE SHRINKS AND AS IT SHRINKS THE CRACKS BEGIN TO FORM AND WHAT CAUSES THE CRACKING. THE FOURTH PICTURE IS -- THIS IS ONE WE GET CALLS ON THE ALLIGATOR CRACKING. WE ALL KNOW ENGINEERS AREN'T COMING UP WITH GOOD NAMES AND JUST CALL IT ALLIGATOR CRACKING BECAUSE IT LOOKS LIKE ALLIGATOR SKIN. WHEN WE SEE THAT, IT'S AN INDICATION OF THAT FATIGUE LOADING AND YOU'LL SEE ALLIGATOR CRACKING FORMING IN THE WHEELHOUSE OF YOUR DRIVE LANES AND THIS IS AN INDICATION THE PAVEMENT IS REACHING THE END OF ITS LIFE. OKAY WHEN WE TALK ABOUT A PAVEMENT CONDITION INDEX WE USE TO TALK ABOUT THE OVER ALL CONDITION OF THE PAVEMENT. WE TAKE THE DISTRESSES AND WE TALKED ABOUT FOUR OF THEM. WE LOOK AT EIGHT DIFFERENT TYPES OF DISTRESSES AND CALCULATE THE PAVEMENT CONDITION INDEX OR PCI FOR SHORT. IT'S BEEN WITH US A LONG TIME. IT STARTED IN WORLD WAR II TO TALK ABOUT THE CONDITION OF THE

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

RUNWAYS. AND THEN WE'VE JUST CONTINUED TO USE IT TO BE ABLE TO TALK ABOUT THE CONDITION OF PAVEMENTS AND COMPARE THAT BACK AND FORTH TO OTHER AGENCIES OR HOW WE'RE DOING. AND WE DO USE THAT THROUGHOUT CALIFORNIA AND IN FACT THROUGHOUT THE NATION. ALL USES OF PCI BASED ON A HUNDRED POINT SCALE WHERE 100 IS A BRAND NEW PAVEMENT NO DISTRESSES AT ALL DOWN TO ZERO AND ALL THE PAVEMENTS IN BERKELEY HAVE A PCI AND THAT'S IMPORTANT TO GUIDE US IN TERMS OF STREET SELECTION AND TREATMENTS. ONE OF THE WAYS WE CAN FOLLOW WHEN WE'RE LOOKING AT THIS ARE GUIDING PRINCIPLES AND WHEN IT COMES TO PAVEMENT PRESERVATION, THE FEDERAL HIGHWAY TRANSITION HAS GIVEN US GUIDELINES AND TELL US THE WAY WE WANT TO TRY AND SELECT OUR PAVEMENTS OR DO THE WORK ON THE PAVEMENTS IS TO APPLY THE RIGHT TREATMENT TO THE RIGHT PAVEMENT AT THE RIGHT TIME. THAT WILL HELP GUIDE US TO GET THE BIGGEST BANG FOR OUR BUCK. THIS SHOWS US THE PRINCIPLE OF WHAT'S CALLED CRITICAL POINT MANAGEMENT. AGAIN WHEN WE'RE THINKING ABOUT SELECTING PAVEMENTS, WE'RE RECOGNIZING THERE'S OUR DETERIORATION CURVE AGAIN AND THERE'S DIFFERENT TREATMENTS REQUIRED ALONG THAT DETERIORATION CURB TRYING TO APPLY THE RIGHT TREATMENT TO THE RIGHT PAVEMENT AT THE RIGHT TIME. AND WE RECOGNIZE THERE'S POINTS ALONG THE CURVE WHERE IF WE WERE TO PERFORM A TREATMENT AT THAT TIME, THEN IT PRESERVES THAT LIFE. AND SO THAT'S INDICATED BY EACH OF THOSE RED CIRCLES ON THERE AND THAT'S THE SWEET SPOT. THOSE ARE THE PAVEMENTS THAT WE'RE LOOKING FOR BEFORE THEY ARE FALL INTO NEEDING THE NEXT TREATMENT, WHICH IS MORE EXPENSIVE. ALSO SHOWN ON THIS SLIDE IS THE

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

GRAPH TO THE RIGHT WHICH SHOWS THE ANTICIPATED COST FOR THE TYPES OF TREATMENTS THAT WE'RE TALKING ABOUT. AND NOTICE THAT WHEN PAVEMENTS ARE IN GOOD CONDITION, THE COST FOR TREATMENT IS LOWER THAN IT IS FOR WHEN IT'S IN WORSE CONDITION AND NEEDS MORE RESTORATIVE CARE. THE RANGE -- THESE ARE OUR CURRENT NUMBERS AND WE'VE SEEN ESCALATED PRICES AS TERRENCE HAS INDICATED. THIS IS HOW THE SYSTEM OF BERKELEY BREAKS DOWN. AN OVERALL-PCI OF 6 AND THE MOST USED SYSTEM OR STREETS HAVE AN OVER ALL AVERAGE OF 57. YOUR COLLECTORS AN AVERAGE PCI OF 64 AND YOUR RESIDENTIALS A 53. WHEN IT COMES TO MANAGING PAVEMENTS AND YOU HAVE NOT ENOUGH MONEY TO STRETCH ALL THE WAYS YOU NEED IT TO GO TO THE END OF THE ROAD, OH, THAT WAS NO PUN INTENDED. ANYWAY, WHEN WE THINK ABOUT THAT, IT'S GOOD PRACTICE TO FOCUS YOUR DOLLARS ON THE MOST USED STREETS TO KEEP THEM IN THE BEST CONDITIONS. IT'S NOT ONLY GOOD FOR THAT, BUT IT'S ALSO GOOD FOR THE ECONOMY OF AN AGENCY AS WELL. WE THOUGHT IT WOULD BE INTERESTING TO SHOW THE COUNCIL WHERE AND HOW BERKELEY COMPARES TO SOME OF THE REST OF THEIR NEIGHBORS. SO IN THE LAST -- THEY CALL IT THE POTHOLE REPORT PRODUCED BY MTC IN 2023 IT SHOWS BERKELEY WAS IN AN AT-RISK STATE AND IT SHOWS THE REST OF THE CITIES IN THAT STATE. IT'S IMPORTANT TO NOTE AT THE BOTTOM THE CURRENT OVER ALL REGIONAL AVERAGE FOR THE BAY AREA IS A 67 PCI TO GIVE AN IDEA HOW THEY COMPARE TO THE REST OF THE BAY AREA. SINCE THIS IS A WORKSHOP, IT WOULD BE BENEFICIAL OR HELPFUL TO REVIEW THE NEEDED FUNDING OR FUNDING NEEDS OF THE STREET SYSTEM. AND THIS SLIDE SHOWS FIVE SCENARIOS WE RAN TO GIVE AN IDEA WHERE THINGS ARE AT. LET'S WALK

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

THROUGH EACH OF THESE SO YOU UNDERSTAND WHAT THEY ARE. SO LET'S FIRST OF ALL LOOK AT THE GREEN LINE THAT YOU SEE RIGHT THERE. THIS IS AN UNCONSTRAINED BUDGET AND SHOWS US THE OVER ALL NEED IS IN THAT RANGE AND IF WE WERE TO DO IT IN ONE YEAR IT WOULD COST $6.9 MILLION IN THAT YEAR TO KEEP IT IN THAT BETTER CONDITION. THE NEXT LINE I WANT TO POINT OUT IS THE GOLD LINE OR THE YELLOW LINE THAT RUNS STRAIGHT ACROSS. THAT'S A SCENARIO WHERE WE SAID WHAT DOES IT TAKE TO BE ABLE TO MAINTAIN THE AVERAGE OF 56 RIGHT NOW. AND THAT COST IS $26.2 MILLION PER YEAR TO MAINTAIN THE SYSTEM IN ITS EXACT SAME CONDITION. THE FUNDING THAT HAS BEEN APPLIED FOR BERKELEY HAS BEEN ABOUT $15 MILLION A YEAR. IT'S PROJECTED IF THAT IS THE AMOUNT OF FUNDING PUT TOWARDS ROADS, WE CAN EXPECT THE PCI TO DROP TO A 52. IF YOU WERE TO SPEND NO MONEY OVER THE NEXT FIVE YEARS, THE PCI WOULD DROP TO 45. TO INCREASE IT JUST BY FIVE POINTS WOULD COST $41.7 MILLION PER YEAR. THAT'S IN ORDER TO TURN THE CORNER AND GET IT TO RISE. I WANT IT GO OVER SOME PRESSURES WE HAVE SEEN THAT HAVE AFFECTED DOLLARS. THERE'S AN INCREASED AMOUNT OF TRAFFIC USING OUR ROADS. THINK BACK TO THIS BANK ACCOUNT WE WERE TALKING ABOUT. AND WITH THE INCREASED AMOUNT OF VEHICLES, WE ARE SEEING OUR PAVEMENTS DETERIORATE QUICKER. INCREASED VEHICLE WEIGHTS. EVs -- WE'RE WORKING WITH AS A SOCIETY AND THEY'RE ABOUT 30% HEAVIER WHETHER WE'RE TALKING CARS, TRUCKS OR BUSSES ON AVERAGE. THAT EXTRA WEIGHT IS CONSUMING PAVEMENT LIFE FASTER. WE'VE SEEN ANYWHERE FROM 50% TO 60% INCREASE IN PRICES. WHETHER IS ALWAYS AN UNKNOWN AND WHEN WE HAVE A WET WEATHER OUR PAVEMENTS TEND TO

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

DETERIORATE FAST PERP THEN WE HAVE UNFUND REGULATIONS PUTTING PRESSURE ON OUR PAVING DOLLARS. TWO SIGNIFICANT ONES ARE THE REQUIRED ADA UPGRADES WE NEED AND WANT TO MAKE TO OUR ROAD SYSTEM TO KEEP THEM COMPLIANT, KEEP THEM SO THEY MEET CODES. WE'RE TALKING ABOUT THE CURB RAMPS. THE OTHER IS THE POST STORM WATER REQUIREMENTS THAT ARE BEING IMPOSED UPON STREETS. THAT'S OUR GREEN INFRASTRUCTURE AND THE WATER BOARD IS VERY AAD ADAMANT WE NEED TO MEET THAT. THOSE TWO UNFUNDED REGULATIONS CAN COST ABOUT 40% OF EVERY PAVING DOLLAR. THAT THE AVERAGE WE'VE SEEN OVER THE LAST COUPLE OF YEARS AS WE'VE DESIGN AND BID OUT PROJECTS. WITH THAT, I'LL TURN IT BACK TO TERRENCE.

>> THANKS, JOE. AT THIS POINT I WANT TO TURN IT ORE TO WAHID TO TALK ABOUT THE TRANSPORTATION ROAD SIDE.

>> THANK YOU, TERRENCE. GOOD AFTERNOON, EVERYONE. JOE TOOK A LITTLE BIT OF MY THUNDER ON THE FOLLOWING SLIDES REGARDING GREEN INFRASTRUCTURE. I HAVE THE PRIVILEGE OF TAKING YOU GUYS THROUGH THE NEXT FEW SECTIONS. I BELIEVE WE ALL KNOW THAT SAFETY IS A CORNERSTONE OF MEASURE FF AND 30% OF THE REVENUE GENERATED IS DEDICATED TO SAFETY IMPROVEMENTS. WORKING WITH THE PUBLIC TO UPDATE THE CITY'S BICYCLE PLAN. AS PART OF IT THE MAPS IN THE PLAN ARE CURRENTLY BE UPDATED TO REFLECT WHICH CORRIDORS ARE BEING COMPLETED AND WHERE IMPLEMENTATION IS STILL UNDERWAY. BERKELEY'S BICYCLE PLAN ADOPTED IN 2017, PROPOSED SOMEWHAT OF AN AMBITIOUS CITY WIDE NETWORK MAKING BERKELEY STREETS SAFER AND MORE APPEALING TO THE MAJORITY OF PEOPLE FROM BERKELEY INCLUDING INDIVIDUALS INTERESTED IN CYCLING. NOW THE BICYCLE PLANS

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

PRIORITIES ARE BEING UPDATED TO BE CONSISTENT WITH THE CITY'S VISION ZERO POLICY AND REGIONAL AND COUNTY FUNDING PRIORITY AND INSIGHT. BASED ON PUBLIC ENGAGEMENT SO FAR ON THE 2025 UPDATE PLANNED BIKE ROUTES AND OTHER RECOMMENDATIONS WILL NOT CHANGE SUBSTANTIALLY. I'LL GO INTO MORE DETAILS IN THE NEXT SLIDE. SO THE 2025 BICYCLE PLAN UPDATE WILL PRIORITIZE PROJECTS BASED ON UPDATED CRITERIA YOU SEE IN FRONT OF YOU. BEING SAFETY WHICH IS BASED ON THE INJURIES FROM THE CITY'S ZERO ACTION PLAN AND HEAVY COMMUNITY ENGAGEMENT AND SUPPORT BASED ON ENGAGEMENT WE DID BACK IN 2022 THAT WAS THE RESULT OF AND TO TURN INFRASTRUCTURE PROFITS AND LAST IS EFFORTS BASED ON THE EQUITY PRIORITY COMMUNITIES AND DEFINED BY MTC WHICH I THINK TERRENCE MENTIONED IS THE TRANSPORTATION COMMISSION. THIS UPDATE REPRESENTS THE CITY'S EFFORTS TO REFINE THE INFRASTRUCTURE AGAIN FOCUSING ON SAFETY AND ACTIVITY AND INEQUITY. IT'S BASED ON PUBLIC ENGAGEMENT AND EMPHASIZES TECHNOLOGY ANALYSIS AND COORDINATION WITH MEASURE FF. IT'S IMPORTANT TO NOTE THESE FIGURES THAT I'M GOING SHARE ARE STILL PRELIMINARY, HOWEVER, I'D LIKE TO PRESENT THE KEY STATISTICS DERIVED FROM OUR ENGAGEMENT. ERIC CAN PROBABLY GO INTO IT DEEPER IF THERE'S QUESTIONS REGARDING IT BUT SO FAR WE'VE HAD 521 PARTICIPANTS COMMENT. WE'VE COLLECTED ALL OF THEM. WE'VE RECEIVED 650 COMMENTS. SOME OF THE TOP CONCERNS AND I'LL THROW THE PERCENTAGE OF TO SPECIFIC QUESTIONS AND BE HAPPY TO ANSWER THEM, 44% WAS RELATED TO ROADWAY SAFETY. 34% FOCUSED ON INSUFFICIENT BIKE FACILITIES. 25% SUPPORTED INTERSECTION IMPROVEMENTS AND 9% OPPOSED ELEMENTS OF THE PLAN. AS JOE ALLUDED TO

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

EARLIER, LIKE OTHER WORK AROUND THE CITY, COMPLETED PROJECTS HAVE BEEN SUBSTANTIALLY MORE COSTLY THAN ESTIMATED IN THE PLAN. FOR EXAMPLE THE NUMBERS YOU SEE IN FRONT OF YOU BASED ON MY EXPERIENCE AND COST ESCALATION OVER THE LAST YEARS, EIGHT YEARS, THESE NUMBERS YOU SEE ARE MUCH HIGHER THAN ANTICIPATED OR FORECASTED. FOR EXAMPLE, IN THE PAST TWO YEARS THE COSTS HAVE INCREASED CLOSER TO 50%. SO WHILE YOU GUYS ARE LOOKING AT THE NUMBERS PROVIDED AS MENTIONED, WE'VE SEEN ESCALATIONS UP TO 50%. THAT SHOULDN'T BE A SURPRISE. TO BE HONEST WITH TARIFFS AND OTHER STUFF GOING ON, I DO SEE THERE WILL BE A STEADY INCREASE BUT THE GOOD NEWS IS OF THE 15 TIER 1 SEGMENTS IN THE BIKE PLAN, FIVE HAVE. COMPLETED, SEVEN ARE PARTIALLY COMPLETED OR IN PROGRESS AND FOUR IN THE DEVELOPMENT OR UPCOMING PHASE OF THE PROJECT. I'LL SPEAK TO THE CITY'S VISION ZERO ACTION PLAN IN A FEW SLIDES HOWEVER, IN REGARDS TO BICYCLE LANE I WANT TO HIGHLIGHT ALL 15 OF THE TIER ONE PROJECTS ADDRESS SAFETY RELATED TO THE HIGH INJURY STREETS PRIORITIZED IN THE CITY'S VISION ZERO ACTION PLAN.

>> WOULD YOU MIND MOVING THE MIC CLOSER OR SPEAKING UP A BIT.

>> SURE.

>> THANK YOU.

>> THE 2022 PEDESTRIAN PLAN MAKES TRAVEL ON FOOT OR WITH AN ASSISTIVE DEVICE IS SAFE, COMFORTABLE, CONVENIENT FOR ALL PEOPLE OF ALL RACES, ETHNICITIES, INCOME, AGES AND ABILITIES AND WE PROVIDED ANALYSIS OF THE SAFETY AND ABILITY AND ANALYSIS AND EQUITY ANALYSIS. THE OVER ALL FOCUS OF THE PLAN IS ON IMPROVING SAFETY FOR PEDESTRIANS CROSSING THE

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

STREET. AS MANY KNOW THE STATISTICS SHOW NEARLY ALL PEDESTRIAN IS INJURIES AND FATALITIES OCCUR WHILE CROSSING THE STREET. THE MAJORITY OF THE CASUALTIES ARE IN CROSSWALKS. THIS GOES TO RANKING INVESTMENT IMPROVEMENTS PROJECTS. OUR PLAN ENSURES CORRIDOR IMPROVED BASED ON SAFETY DATA AND USAGE TRENDS. AS PART OF THE PRIORITIZATION, THE PLAN INTEGRATED VISION ZERO TRAFFIC SAFETY ANALYSIS. OUR PEDESTRIAN PLAN USED ANALYSIS TO FURTHER PRIORITIZE HISTORICAL RED LINE AND INVESTED IN PARTS OF BERKELEY. OF THE HIGH PRIORITY STREETS IDENTIFIED IMPROVEMENTS ON ONE HAVE BEEN SUCCESSFULLY COMPLETED AND THE REMAINING NINE ARE PARTIALLY COMPLETED AND I'LL SPEAK TO THIS IN THE NEXT SLIDE. THE RECOMMENDED TEN PRIORITY S ON WILL CITY STREETS AND THE 10 PROJECTS PROPOSE TREATMENTS TO INCREASE SAFETY SUCH AS SIDEWALK CORNERS KNOWN NOW AS BUS BULBS, MEDIAN ISLANDS AND FLASHING BEACONS. THESE ARE INCLUDED IN THE HIGH INJURY STREETS IN THE CITY'S VISION ZERO ACTION PLAN. THE CITY MADE PROGRESS ON EACH OF THE 10 CORRIDORS IN THE PLAN INCLUDING PROJECTS AT THE UNIVERSITY, MLK SOUTH, SACRAMENTO, SAN PABLO AND SHATTUCK. WE ALSO HAVE UPCOMING PROJECTS ON ADELINE, SACRAMENTO AND SAN PABLO. THE PROJECT MADE MARTIN LUTHER KING WAY SIGNIFICANTLY SAFER FOR PEOPLE ON FOOT. MLK IS A MAJOR THOROUGHFARE. AND THE ACTION PLAN SET THE GOAL OF ELIMINATING ALL FATAL AND SEVERE INJURY AND CRASHES BY 2038. BERKELEY IS COMMITTED TO VISION ZERO THROUGH ROADWAY DESIGN IMPROVEMENT SUCH AS CURB IMPROVEMENTS AND PROTECTED BIKE LANES, TRAFFIC CALMING MEASURES LIKE SPEED HUMPS AND TABLES AND NARROWING LANES AND ENHANCING

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

PEDESTRIAN CROSSING WITH BETTER VISIBILITY AND OPTIMIZATION. BERKELEY HAS DECLARED CLIMATE EMERGENCY. THROUGH MEASURE FF PLANNING AND IMPLEMENTATION INTEGRATING GREEN TECHNOLOGIES TO INFRASTRUCTURE ENHANCES CLIMATE RESILIENCE. THIS BIO SWELL AT ROSE AND HOPKINS IS AN EXAMPLE HOW THE CITY IS DOING ITS PART TO COMBAT CLIMATE CHANGE. THE CITY ADOPTED A GREEN INFRASTRUCTURE PLAN IN 2018 OUTLINING THE APPROACH TO CLEAN INFRASTRUCTURE. IT PROVIDES GUIDANCE ON IDENTIFYING, IMPLEMENTING AND REPORTING GREEN INITIATIVES WITHIN THE CITY. WE WANT TO EMPHASIZE SUBSTANTIAL PLANNED AREA IS REQUIRED FOR ROADWAY PROJECTS. GIVEN BERKELEY'S DENSITY IDENTIFYING NEW LOCATIONS FOR THIS INFRASTRUCTURE IS MANDATORY BY REGULATION AS JOE ALLUDED TO EARLIER AND WILL BE CHALLENGING. GREEN INFRASTRUCTURE IMPLEMENTATION COMPETE FOR SPACE PARTICULARLY PRIME LOCATION SPACE MEANING PARKING AND ALSO BIKE WAY IMPROVEMENTS. IT'S A CHALLENGE TO FIND GREEN INFRASTRUCTURE SITES. I KNOW JOE PROVIDED SCENARIOS FOR BALLPARKS BUT HERE'S ANOTHER BIT OF DATA THAT COULD HELP ILLUSTRATE THE CHALLENGE. TREATING AN ACRE OF IMPERVIOUS ACRE AROUND 43,000 SQUARE FEET REQUIRE CONSTRUCTING APPROXIMATELY 1,750 SQUARE FEET OF AREA FOR TREATMENT. IN BERKELEY THAT'S USUALLY A THREE-BEDROOM HOME WITH A NICE BACK YARD. WITH THAT SAID, I'LL HAND IT BACK TO TERRENCE.

>> ALL RIGHT. LET'S TALK FINANCE. SO MY FATHER WAS A TEACHER. AND I WOULD WAIT UNTIL HE CAME HOME. HE GOT UP EARLY AND COME HOME AND I WAITED AND HE WAS TIRED AFTER WORK TO ASK HIM FOR MONEY SO THAT'S WHERE WE ARE IN THE PRESENTATION. I'M HERE ALL WEEK. SO THIS NEXT

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

PART I WANT TO GO THROUGH I'LL GO THROUGH FAIRLY QUICKLY AND MAKE UP SOME TIME SO THANK YOU FOR THE PATIENCE. LETS TALK ABOUT MEASURE FF TO RECAP. THE RATE 17 CENTS AND 25 CENTS RESPECTIVELY FOR RESIDENTIAL AND NON-RESIDENTIAL. WE HAVE WORKED WITH THE FINANCE DEPARTMENT COUNTY AND COME UP WITH PROJECTIONS WE'LL GO INTO LATER ABOUT WHAT THAT LOOKS LIKE OVER THE HORIZON THAT 14 YEARS AND JUST A REMINDER OF THE BREAK DOWN AND WHAT WAS ADOPTED 50% FOR STREETS WITH THE BREAK AS YOU SEE THERE. 30% FOR SAFETY. 10% FOR ENVIRONMENTAL ENHANCEMENT, FEES, AUDITS, PUBLIC, ETCETERA. THE GOALS OF MEASURE FF WHICH ARE THE GUIDING PHASE WAS TO RAISE THE PCI. WE TALKED ABOUT THAT. ELIMINATE THE BACKLOG OF SIDEWALKS AND PEDESTRIANS HAVE AND DEFICIENCY AND SEVERELY ELIMINATE THE TRAFFIC CRASHES THROUGHOUT THE CITY. ALL THOSE IN FF CERTAINLY ALIGN WITH ALL THE PREVIOUS FINANCING. NOW THE MONEY. SO RIGHT NOW THESE ARE PRELIMINARY ESTIMATES BY YEAR WHAT I'LL SAY IS WHAT YOU SEE HERE REPRESENTED OVER THE 14 YEARS HORIZON ARE FINANCE ESTIMATES. THESE NUMBERS ARE IN MILLIONS AND THE ACRONYMS, CPI, CONSUMER PRICE INDEX AND P.I.C., PERSONAL INCOME GROWTH, AND EACH YEAR THE COUNCIL CAN THE ASSESSMENT BY EITHER OF THOSE INDEXES. I WANTED TO SHOW THEM BOTH. RIGHT NOW THE PIG WINS IN TERMS OF REVENUE BUT THAT'S A POLICY DECISION THE COUNCIL WILL HAVE TO MAKE LATER THIS YEAR. TO PAINT THE PICTURE BY ALLOCATION PERCENTAGE JUST TO GIVE AN EXAMPLE OF YEAR ONE, IF THAT $15.6 MILLION IS AN ACCURATE REVENUE PROJECTION IT GIVES THE TYPE OF IDEA OF REVENUE WE'D BE LOOKING AT. $7 MILLION PURELY FOR STREETS, $4 MILLION FOR SAFETY, $2.3 MILLION

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

FOR PEDESTRIAN AND $1.5 MILLION FOR OTHER. AND AS WE DO MORE INTEGRATED PLANNING WITH THE FRAMEWORK THERE'LL BE A LOT OF INTEGRATION ACROSS THE PROJECTS. IF WE LOOK AT COMBINED REVENUE AGAIN FOR ROADWAY RELATED PROJECTS, THIS DOESN'T INCLUDE MANY TRANSPORTATION PROJECTS WE DO THAT ARE OFTEN THE SOURCE OF GRANT FUNDING OR OTHER SOURCES. AND $15.6 IS OUR YEAR ONE PROJECTION. THE GENERAL FUND PER THE NEW COUNCIL POLICY RIGHT NOW WHAT WE CALL OUR BASELINE FUNDING TO OUR CAPITAL IMPROVEMENTS EACH YEAR. GAS TAX WHICH IS TWO SOURCES. THE STATE GAS TAX SB1 AND HUTA IS BETWEEN $6-8 MILLION AND RANGES A BIT AND SOME GO TO MAINTENANCE ACTIVITIES AND SOME SUPPORT THE CREWS FOR POTHOLE REPAIR AND POSITION AND EQUIPMENT SO FORTH. THE LAST IS ALAMEDA MEASURE BB RIGHT NOW THE PROJECTION FOR FISCAL YEAR '26 IS ABOUT $8 MILLION. THOSE ARE THE FUNDING SOURCES AS WE GO TO THE INITIAL PLANNING PHASE WE'RE CONSIDERING. NOW MOVING JUST TO THE LAST TWO SECTIONS HERE. JUST WANT TO TALK ABOUT POLICY. THE COUNCIL ADOPTED THE POLICY IN 2022 THE EXISTING POLICY WITH THE FIVE-YEAR PAVING PLAN. WE'VE DONE THE FIRST FEW YEARS OF THAT PLAN AND IN GENERAL AS YOU SEE HERE, I WON'T GO THROUGH THEM HERE BUT WE'VE DONE A GOOD IN TERMS OF FOLLOWING THE POLICY AND THEY'VE REALLY FORWARDED OUR ABILITY TO ADVANCE THE PROGRAM. SO CONFORMITY WITH THE WATER BOARD JOE TALKED ABOUT, SUPPORTING OTHER CITY PLANS AND POLICIES, AVOIDANCE OF REMOVAL OF TREES IF POSSIBLE. SO ON AND SO FORTH AND CERTAINLY ALSO HAVING A VERY SENSITIVE AND KEEN UNDERSTANDING IN ACHIEVING PROJECTS IN THE EQUITY ZONE HAS BEEN

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

SOMETHING OUR ENGINEERING STAFF HAS BEEN FOCUSED ON. AND THAT PAVING PLAN IS UPDATED WITH THE BIANNUAL BUDGET SO THAT'S THE TYPICAL PLANNING. I ALWAYS GET NERVOUS. I ASKED ALL THE ENGINEERS WHAT WOULD BE YOUR WISH LIST TO COME UP WITH POLICY RECOMMENDATIONS AND THESE ARE SOME OF THE THINGS AS WE CONTEMPLATE MOVING FORWARD THAT ARE TECHNICAL AND STAFF CONTEMPLATE THINGS WE'D LIKE TO PUT ON THE TABLE FOR FUTURE CONSIDERATION AND MANY COME FROM CONVERSATIONS WITH MANY OF YOU. EVALUATING ADDITIONAL DEVELOPMENT AND OTHER IMPACT FEES AS JOE TALKED ABOUT RIGHT NOW. WE DO HAVE SOME IMPACTS FROM HEAVY EQUIPMENT AND EVs. AS DEVELOPMENT OCCURS, CONTINUE TO EVALUATE THOSE FEES ARE TAKING CARE OF INFRASTRUCTURE. NEGOTIATE INVESTMENTS FROM UTILITIES. RIGHT NOW WE HAVE A GOOD WORKING RELATIONSHIP. OUR POLICY RIGHT NOW AND MANY KNOW FROM CONVERSATIONS ABOUT PROJECTS IN YOUR DISTRICT RIGHT NOW, DON'T REQUIRE THE UTILITIES AFTER THEY ARE TWO BEYOND A CERTAIN YOU KNOW COUPLE FEET ON EACH SIDE. OFTEN TIMES IF THE ROAD NEEDS TO BE REPAIRED WE MISSED AN OPPORTUNITY OR DON'T REQUIRE THEM TO GO CURB TO CURB OR CENTER LINE. THAT'S A STANDARD IN PLACE IN OTHER PARTS OF THE REGIONS. THAT'S ONE THING WE BRING RECOMMENDATIONS TO SOME POINT IN THE FUTURE. GREEN INFRASTRUCTURE IS UNFUNDED AND MEASURE FF NOW BRINGS A FUNDING SOURCE BUT AS JOE TALKED ABOUT AND THERE'S SEVERAL COMPLICATIONS FROM A FUNDING PERSPECTIVE WITH GREEN INFRASTRUCTURE AND THE COST AND ACQUIRING THE PIECE OF PROPERTY TO DO THE GREEN INFRASTRUCTURE IMPROVEMENTS. THE GREEN INFRASTRUCTURE, HAVING DEDICATED FUNDING IS SOMETHING THAT NEED TO BE

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

CONSIDERED. BIG WANTS CONTINUE TO EVOLVE. AND I WANT TO TALK ABOUT THE ESCALATION IN CONSTRUCTION, HOW DO WE TAKE OUR MONEY FURTHER TO IMPACT MORE OF OUR INFRASTRUCTURE? ONE OF THE WAYS THAT WE TALK ABOUT THAT WE CAN DO THAT IS BY BUNDLING PROJECTS IN A TIGHTER GEOGRAPHIC AREA. THERE'S PROS AND CONS TO THAT OBVIOUSLY BECAUSE THAT MAY MEAN A PARTICULAR PART OF A COMMUNITY WILL GET ONE OR TWO OR THREE PROJECTS. THE BENEFIT FROM A CONSTRUCTION MANAGEMENT PERSPECTIVE IS THAT EACH TIME WE HAVE A CONTRACT, THE CONTRACT CHARGES A MOBILIZATION FEE AND THAT CHARGE IS FAIRLY SIGNIFICANT. IF A CONTRACTOR CAN JUST GO TO ONE GEOGRAPHIC AREA, THAT MOBILIZATION COST IS REDUCED AND THERE'S COST SAVINGS THERE. AGAIN, THERE'S TRADEOFFS AND WE CAN TALK MORE ABOUT THAT AS WE GO ALONG. WE KNOW WHAT PROJECTS ARE SO IF WE CAN SET FUNDING ASIDE TO HAVE PARTNERSHIP AND EITHER PAY TO COMPLETE THE PROJECT IN ITS ENTIRETY OR WORK OUT SOME OTHER COST SHARE MOUs THAT'S SOMETHING WE CAN LEVERAGE. WE CAN DO MORE IN THAT AREA. THERE'S COMPLICATIONS, OBVIOUSLY AND DEALING WITH THE UTILITIES AND THAT NEGOTIATION AND THE LEGAL STUFF INVOLVED WITH THAT BUT THAT'S SOMETHING WE CAN TAKE A LOOK AT. AND RELATED TO THAT HAVING SOME TYPE OF STANDARD REIMBURSEMENT AGREEMENT. RIGHT NOW WE HAVE A POLICY IN STANDARD INSPECTIONS THAT REQUIRES THE UTILITIES TO PAY A CERTAIN WIDTH OUTSIDE BUT WE CAN REVISIT THAT AND ADOPT SOME OTHER POLICY THAT IS MORE BENEFICIAL TO BERKELEY AND TO MAKING SURE THAT WE ADVANCE THESE PROJECTS. WE NEED TO CONTINUE TO COMMUNICATE AND MAKE SURE PEOPLE UNDERSTAND THE EXPECTATIONS AROUND PCI BECAUSE OF OTHER

FACTORS WE'VE RAISED. WE ARE IN PROCESS OF WORKING THROUGH A PROGRAM MANUAL AND PUTTING IN THE ADMINISTRATION NECESSARY. WE ARE STARTING THAT PROCESS AND WE'LL BE HIRING SOME STAFF AND CONSULTANTS TO OVERLAY ALL THESE PROJECTS AND NOW THE TASK IS LET'S LAY THEM ALL ON TOP OF EACH OTHER AND SEE WHAT KIND OF PRIORITIES WE CAN COME OUT WITH IN TERMS OF OUR CAPITAL. AND THIS NEXT ONE IS RIGHT NOW THERE'S RIGHT NOW THERE'S NO PROCESS TO LOOK WHERE THEY SHOULD BE APPLIED SO A POLICY AS AN EXAMPLE IF EVERY PROJECT WE DO SHOULD HAVE COMPLETE STREET OR TRAFFIC SAFETY ELEMENTS AS WE INDICATED, IF THAT IS A POLICY DECISION THAT CHANGES HOW WE PRIORITIZE AND HOW FAR WE GO IN TERMS OF OUR RESOURCES AND SOMETHING WE NEED TO CONSIDER AND HAVE A CONVERSATION ABOUT. PUBLIC PROCESS PER MEASURE FF ONGOING PUBLIC PROCESS SO THAT WILL CONTINUE TO OCCUR AS WE GO THROUGH THE PROCESS. THE COUNCIL WILL BE DOING WORK THIS WEEK AND THAT WORK IS ALL CURRENTLY HAPPENING. THESE ARE ALL THE TOOLS THAT WE USE. OUR STREET SAVER SOFTWARE AND ONE THING WE'VE BEEN WORKING ON IS CREATING MORE FORWARD CUSTOMER-COMMUNITY FACING DASHBOARDS SO FOLKS CAN SEE WHAT WE'RE DOING SO -- NOT THAT WE DON'T WANT TO ENGAGE THROUGH PUBLIC PROCESS BUT THAT IS PART OF THE PUBLIC PROCESS BY EDUCATING FOLKS AND LETTING THEM SEE REAL TIME IN A CLEAR GRAPHICAL WAY WHAT WE'RE DOING. AND THE RESULTS OF THIS IS THAT RIGHT NOW THE PLAN IS THE FIRST ROUND OF FUNDING FF PROJECTS AND SOME ARE CONSTRUCTION AT 26. THAT MEANS THE EXISTING PLANS GO INTO DESIGN SOON AND GO INTO PLAN IN THE SUMMER CONSTRUCTION SEASON. THE BULK OF THE MEASURE FF FUNDED PROJECTS

Unofficial Text File

SPECIFICALLY WILL HAVE A LONG PLANNING HORIZON AND WON'T INTO CONSTRUCTION UNTIL '27 AND BEYOND. BUT WE DO THINK THERE'S SOME SPECIFIC PROJECTS THAT WE CAN UTILIZE MEASURE FF FUNDING TO GET INTO OUR EXISTING PLANS NOW. AND THEN ONGOING OVERSIGHT REPORTS WILL BE REQUIRED AS PART OF THE OVERSIGHT COMMISSION AND WILL BE PRESENTED ON A REGULAR BASIS. WE ARE RECRUITING NOW FOR THE CITIZENS OVERSIGHT COMMITTEE, SSCOC IS THE ACRONYM WE CAME UP WITH. YEAH. I'LL LEAVE IT THERE. THIS IS THE RESPONSIBILITY. WE'LL HAVE SEVEN MEMBERS TOTAL, TWO AS IT STANDS, TWO FROM TRANSPORTATION INFRASTRUCTURE AND ONE FROM ENVIRONMENTAL AND CLIMATE AND FOUR AT LARGE. THE FOUR AT LARGE HAVE TO HAVE PARTICULAR SKILL SETS PER CIVIL ENGINEERING PROGRAM INFRASTRUCTURE OR MUNICIPAL FINANCE AND BONDS. HERE'S THE GENERAL TIME LINE. THE COUNCIL ADOPTED THE OVERSIGHT APPLICATION AND THAT IS CURRENTLY LIVE ON OUR WEBSITE NOW. THAT WILL RUN THROUGH APRIL 15 AND WE'RE HELPFUL WE'LL GET A SUBSTANTIAL AMOUNT OF APPLICANT AND SUFFICIENT FOR THE COUNCIL TO MAKE APPOINTMENTS. IN MAY THE GOAL FOR US IS TO START THE BROADER INTEGRATED PLANNING AND DESIGN WORK. IT'S A SIGNIFICANT PLANNING EFFORT. SO WE'RE GEARING UP TO DO THAT AS I TALKED ABOUT. ASSUMING THAT WE STAND UP THE OVERSIGHT GROUP, SOMEWHERE AROUND JUNE IS MY ANTICIPATED TIME LINE WHERE THEY'LL HAVE THEIR FIRST WORK PLAN AND LAND ON THEIR CHAIR. THE INS AND OUTS OF HOW THAT GROUP WILL WORK AND ALSO THEIR WORK PLAN IN TERMS OF IDENTIFYING HOW THEY'LL WORK WITH STAFF AND HOW WE'LL PRESENT TO THE COUNCIL. Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

ANTICIPATED IN DECEMBER OF THIS YEAR AND SUMMER FIRST ROUND OF FUNDED PROJECTS. SO, WITH THAT, WE MADE IT THROUGH.

>> THANK YOU MUCH FOR THE PRESENTATION. I'LL START WITH COUNCIL QUESTIONS. ARE THERE QUESTIONS?

>> R. Kesarwani: THANK YOU VERY MUCH, DIRECTOR DAVIS. AND ALL OF YOU FOR THIS VERY DETAILED PRESENTATION. I DIDN'T KNOW WHAT YOU MEANT AND THE COUNCIL HAS A CHOICE. CAN YOU CLARIFY THAT?

>> SURE, COUNCILMEMBER. PER THE BALLOT MEASURE AND WHAT'S CODIFIED IN MAY OF EACH YEAR THE CITY COUNCIL HAS AN OPPORTUNITY TO ESCALATE THE ASSESSMENT AND THEY CAN UTILIZE ONE OF TWO INDEXES. THEY CAN UTILIZE CONSUMER PRICE INDEX OR PERSONAL INCOME GROWTH FOR THE SAN FRANCISCO BAY REGION. SO THE COUNCIL CAN ELECT TO DO THAT EACH MAY AND HAS THE CHOICE TO USE EITHER OF THOSE INDEXES.

>> R. Kesarwani: SO WE WOULD RECEIVE YOUR INPUT EVERY MAY OF WHAT THAT RATE WAS AND MAKE A DETERMINATION? OKAY. YOU HAVE THIS PROJECTED MOVING FORWARD BECAUSE I UNDERSTAND YOU GET THEM THE PRIOR YEAR?

>> WE DID OUR BEST TO LOOK AT THE CURRENT INDEXES AND MAKE ASSUMPTIONS ON WHAT FUTURE YEARS MIGHT LOOK LIKE. OBVIOUSLY, WE DON'T KNOW IN YEAR FIVE WHAT THE PERSONAL INCOME GROWTH RATE WILL BE. THESE ARE VERY MUCH CHANGES. DOES THE LANGUAGE IN THE BALLOT MEASURE SPEAK TO NOT DOING THIS? BECAUSE SOMETIMES THESE ARE NEGATIVE THESE RATES. SO ARE WE REQUIRED TO INFLATE THE ASSESSMENT? DO YOU KNOW OFFHAND?

>> GOOD QUESTION. INSTEAD OF ANSWERING I'LL DOUBLE CHECK THAT BECAUSE I HAVE A PARTICULAR INTERPRETATION AROUND --

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

>> R. Kesarwani: MAYBE IT'S A LEGAL QUESTION. MAYBE THERE'S FLEXIBILITY AND WE CAN LEAVE IT THE SAME IF THERE'S ISSUE WITH THESE. I HAVE TO QUESTION SLIDE 37. SO, YOU'RE SAYING MEASURE FF IS 15.6. THAT TRACKS TO THE 15.6 UP YEAR ONE. OKAY. WHEN YOU SAY GENERAL FUND IS 9.9. AS ONE COUNCILMEMBER WHO ASKED AND THE COUNCIL AGREED TO INCREASE TO $13 MILLION MUST INFLATION AND WONDERING WHY IT SAYS 19.9 THERE. IS THAT AN ERROR?

>> I'LL DOUBLE CHECK TO MAKE SURE IT'S ACCURATE. WHEN WE TALK ABOUT THE TOTAL BASELINE THE CONTRIBUTION IS 15 AND CHANGE. THE BASELINE CONTRIBUTIONS TO PAVEMENT, I BELIEVE THE $8 MILLION ADDITIONAL WAS ADDED TO THE PAY LINE. THERE WAS A $2 MILLION PAVEMENT CONTRIBUTION AND THEN ANOTHER $8 MILLION AND THERE'S ANOTHER $5 MILLION THAT GOES TO THE CIP.

>> R. Kesarwani: SO THIS IS NOT PAVEMENT HERE. WHAT IS THIS SHOWING?

>> THIS IS SHOWING PAVEMENT. HOWEVER, THE TOTAL GENERAL FUND CONTRIBUTION TO CIP FOR PUBLIC WORKS IS IN THE $15 MILLION RANGE. THAT'S INCLUSIVE OF OTHER PROJECTS AS WELL. SO IT COULD BE PROJECTS SUPPORTIVE THAT WE'VE TALKED ABOUT. THAT'S WHERE THIS GETS CONVOLUTED. THIS IS CONTRIBUTION FOR ADA AND GET ROLLED INTO ONE NUMBER AND CIP. SO I WILL GO BACK AND CONFIRM BUT IN TERMS OF IF WE LOOK AT WHAT'S PROGRAMMED FOR PAVEMENT BASED ON OUR BASELINE GENERAL FUND CONTRIBUTION IT'S IN THE $10 MILLION RANGE.

>> R. Kesarwani: OKAY. WHAT DOES CIP STAND FOR?

>> CAPITAL IMPROVEMENT PROGRAM.

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

>> R. Kesarwani: SO I JUST WANT TO BE CAUTIOUS. MAYBE WE NEED TO TALK OFFLINE BECAUSE THAT MONEY WE ALLOCATED IS FOR PAVING. I'M CONCERNED WHEN IT'S SHOWING ONLY $10 MILLION FOR PAVING. THE INTEND OF THE COUNCIL'S POLICY IS TO HAVE $15 MILLION PLUS INFLATION GO TO PAVING. I'M NOT CLEAR ON WHAT'S BEING DESCRIBED.

>> COUNCILMEMBER TO QUICKLY CHIME IN. WHAT THE TAX MEASURE SAYS IS $15.3 MILLION IN FUNDING FOR STREET MAINTENANCE FROM SOURCES OTHER THAN THIS TAX. IT DOESN'T STIPULATE SPECIFICALLY THE GENERAL FUND ON ITS OWN.

>> R. Kesarwani: THAT'S A DIFFERENT POINT AND I DON'T WANT TO BE -- I WANT TO BE RESPECTFUL OF OTHER'S QUESTIONS. YOU'RE TALKING ABOUT THE MAINTENANCE EFFORT MAINTAINING THE $15 MILLION BASELINE BUT DOESN'T SPECIFY WHICH SOURCES.

>> CORRECT.

>> R. Kesarwani: MEANING YOU'LL TAKE GAS TAX AND ALAMEDA COUNTY MEASURE BB TO BE INCLUDED TO REACH $15 --

>> AT A MINIMUM, YES.

>> R. Kesarwani: I DON'T FEEL COMFORTABLE WITH THAT. TO TAKE NON-LOCAL FUNDS WHEN IT WAS 15 OF A GENERAL LOCAL FUND LOOKS LIKE SUPPLANTING OF ANOTHER NAME TO ME. I WANT TO MAKE SURE THE COUNCIL POLICY OF $15 MILLION PLUS INFLATION GOES TO PAVING.

>> UNDERSTOOD.

>> R. Kesarwani: IF YOU CAN GIVE ME A BREAKDOWN LIKE NOW BUT OFFLINE, WHERE IS THAT MONEY GOING. IF IT'S NOT ALL GOING TO PAVING, IS IT

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

GOING TO SAFETY IMPROVEMENTS ON THE STREETS? ADA IMPROVEMENTS.

>> UNDERSTOOD. AND I PERFECTLY UNDERSTAND WE CAN THE COST BREAK DOWN. I SHOULD HAVE HAD A CAVEAT. THIS IS AN OVER SIMPLIFICATION OF OUR FUNDING RELATED TO ROADWAY IMPROVEMENT. THIS IS SUPPOSED TO BE REPRESENTATIVE BUT I CERTAINLY UNDERSTAND YOUR QUESTION AND WE'LL GET THAT.

>> R. Kesarwani: BECAUSE THE REASON I'M ASKING ALL THE DETAILED QUESTIONS IS BECAUSE WHEN YOU GO TO THE OTHER SLIDE, FIVE-YEAR PROJECTION, THIS IS DONE BY OUR CONSULTANT, CORRECT? I JUST WANT TO GIVE FEEDBACK FOR THE FUTURE THAT WILL BE HELPFUL KNOWING MEASURE FF HAS PASSED IT'S NOT ACCURATE TO SAY THE CURRENT BUDGET IS $15 MILLION PER YEAR. I JUST DID THE MATH OF ALL THESE DIFFERENT SOURCES AND IT ENDS UP BEING ROUGHLY $45 MILLION OR MORE. WE NEED TO TELL OUR STORY ACCURATELY. IF IT'S IN TERMS OF MONEY FOR PCI POINT, WE'RE GOING TO GET A PCI INDICATOR MORE THAN FIVE. IT'S NOT ALL GOING TO PAVING BUT I FEEL LIKE WHATEVER THEY DID RUNNING THESE NUMBERS, I WOULD LIKE TO SEE A LINE THAT SHOWS HOW MUCH PCI INCREASE WE'LL GET WITH MEASURE FF THE COUNCIL POLICY FOR GENERAL FUND BASELINE PAVING MONEY AND THE OTHER SOURCES. WHAT'S THAT TOTAL AND A GRAB AND WHAT THE PUBLIC IS GETTING FOR THE INVESTMENT. THAT THE A BIG INVESTMENT FOR PEOPLE TO PAY THE PARCEL TAX.

>> AND JOE MAY HAVE TOUCHED ON THIS, BUT THIS IS A FUNCTION OF OUR STREET SAVER'S SOFTWARE AND ESTIMATES. IT'S PART OF WHAT'S CALLED OUR PAVEMENT TECHNICAL ASSISTANCE PROGRAM DONE EVERY FEW YEARS VIA NTC

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

AND JOE IS -- IT'S HIS FAULT BUT REPRESENTATIVE OF PAVING. THERE'S LOTS OF CAVEATS BUT IT DOESN'T INCLUDE OTHER ELEMENTS. ONCE WE GO THROUGH THIS PROCESS OF PRIORITIZING PROJECTS, WE CAN FEED THAT BACK. TO A CERTAIN EXTENT THIS INFORMATION IS OUTDATED ALREADY. THIS IS -- I GUESS YOU'D CALL IT OLD BASELINE INFORMATION.

>> R. Kesarwani: IF IT COULD BE LABELLED THAT WAY IT'S LABELLED FEBRUARY 2025 BUT IT'S NOT SO I WANT TO NOTE THAT. IT WOULD BE GREAT TO GET AN UNDERSTANDING OF ALL THIS FUNDING AND RERUN THIS. I KNOW IT'S COMPLICATED AND I'M A NUMBERS PERSON SO YOU GOT CAUGHT IN THAT SO THANK YOU. THE OTHER POINT I WANT TO MAKE IS TALKING ABOUT PROCESS AND WE ALL KNOW ABOUT PUBLIC PROCESS AND STREET SAFETY. THAT GIVES SOME OF US SOME PTSD. I'M WORRIED BECAUSE I THINK HOW ARE WE GOING TO DO THE PUBLIC PROCESS AROUND SAFETY IMPROVEMENTS AND WORRIED ABOUT PROCESSES THAT DON'T GET TO A STRAIGHT STREET. THAT WAS A HORRIBLE OUTCOME ON HOPKINS. TO MAKE SURE WE HAVE WE HAVE PLANS IN PLACE THAT ARE CLEAR AND REALISTIC TO GET IMPROVEMENTS AND NOT JUST A BUNCH OF PUBLIC PROCESS AND LITTLE IMPROVEMENT. I THINK THE COMMUNITY FEELS THAT FRUSTRATION. WE CAN'T PUT MILLIONS INTO ASSESSMENT AND THE PUBLIC IS DIVIDED. IT'S PAST NOW AND WE NEED TO DO THE IMPROVEMENTS AND HAVE TO FIGURE OUT HOW TO DO THAT IN A WAY THAT'S COST EFFICIENT AND GET THE INPUT BUT NOT BOGGED DOWN. THAT WAS NOT A QUESTION.

>> I THINK YOUR QUESTION WAS ABOUT PUBLIC PROCESS IF THERE'S A PLAN. JUST TO MAKE IT A QUESTION.

>> THERE'S A PUBLIC PROCESS SO WE'LL BE WORKING ON THAT PLAN WITH

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

INSTEAD OF -- BECAUSE I AGREE WITH YOU, COUNCILMEMBER, ABOUT THE LONG DRAWN OUT CONSULTANT PUBLIC PROCESSES. EVEN LOOKING AT POSITIONING OUR OWN CITY RESOURCES TO SUPPORT THAT. WE'RE DOING THAT WORK NOW. WHAT I'LL ALSO SAY AS INDICATED THE WORK ERIC IS DOING RELATED TO VISION ZERO AND THE BIKE LANES HAVE PUBLIC PROCESS BUILT IN. WE CAN LEVERAGE A LOT OF THAT AS WELL. WE LIKE TO BUILD STUFF. OUR GOAL IS TO MAKE SURE WE ARE ENGAGING IN THAT PROCESS BUT THAT WE ALSO ARE EFFICIENT TO MOVE FORWARD WITH SELECTION AND REBUILDING STUFF.

>> THANK YOU. I APPRECIATE THAT. YEAH, I'M SURE THERE WERE PLENTY OF LESSONS LEARNED DURING THAT TIME THOUGH MOST OF US WERE NOT THERE AND TAKE THAT INTO ACCOUNT. COUNCILMEMBER HUMBERT DO YOU HAVE QUESTIONS?

>> M. Humbert: I DO, MADAME MAYOR. THEY'RE PROBABLY BROAD QUESTIONS AND PROBABLY COVERED SOME TO SOME DEGREE BUT ALSO THINGS TO THINK ABOUT. I DON'T WANT A DETAILED CHAPTER AND VERSE BUT FEEL IT'S AN APPROPRIATE TIME TO ASK THEM. THANK YOU FOR THE PRESENTATION IT WAS REALLY INTERESTING. AND I CAN CERTAINLY SEE IT AROUND BUT -- OKAY. MY FIRST QUESTION IS HOW WILL PUBLIC WORKS INTEGRATE FF PROJECTS IS THE CITY CAPITAL PROJECT DELIVERY PROGRAM? I WANT TO NOTE AND TO REFLECT ON WHAT COUNCILMEMBER KESARWANI SAID FF PASSED BY A SIGNIFICANT MAJORITY. EE WAS PAVE THE ROADS AND DO NOTHING ELSE FAILED MISERABLY. QUE HAVE A CONSENSUS ON WHAT FF CONTEMPLATES. I WANT TO MAKE SURE IT'S AN INTEGRAL PART OF PROJECT DELIVERY. WHAT ARE YOUR GENERAL THOUGHTS OF HOW YOU INTEGRATE THEM INTO THE STREAM OF CAPITAL IMPROVEMENTS?

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

>> THAT'S ALIGNED WITH HOW WE SEE IT AND DO PROJECT ALIGNING. WE'LL CONTINUE TO HAVE OTHER FUNDING SOURCES, GRANTS, ETCETERA BUT FF NOW IS A CATALYST WHERE WE LOOK AT THESE THINGS AND IN AN INTEGRATED WAY. WE HAVE TO BUILD THAT FRAMEWORK. AS I INDICATED, VISION 2050 HAS SOME TOOLS TO BE ABLE TO DO THAT BUT SOME OF THE PROGRAM PLAN AND THE OTHER ADMINISTRATIVE ELEMENTS WE NEED TO BUILD AN IT FRAMEWORK WE HAVE TO BUILD OUT TO MAKE IT MAKE SENSE. IT'S ESSENTIALLY THE PATH WE'RE TAKING.

>> M. Humbert: THANK YOU. THAT'S HELPFUL TO HEAR. A RELATED QUESTION IS TO THE EXTENT -- I'D LOVE TO SEE DEPARTMENT STAFF UP TO MINIMALLY USE CONSULTANTS BUT WE'RE ALWAYS PROBABLY GOING TO USE CONSULTANTS. HOW WILL OUT INTEGRATE THOSE CONSULTANTS AND EDUCATE THEM SO THEY'RE AWARE OF OUR POLICIES THE NEW FF POLICY REFLECTED IN THE MEASURE, VISION ZERO, THE BIKE PLAN, PEDESTRIAN PLAN, ETCETERA. HOW DO YOU BRING THEM ON BOARD?

>> GREAT QUESTION. FOR CONTEXT RIGHT NOW WE UTILIZE CONSULTANTS FOR OUR EXISTING CAPITAL DELIVERY ON THEIR DESIGNS SIDE PRIMARILY. SO THEY'RE ALREADY SUPPORTING A LOT OF OUR DESIGN ELEMENTS. MOST ARE SAVVY AND DO THIS FOR MULTIPLE JURISDICTIONS IN THE REGION. THE INTEGRATION IS LESS DIFFICULT BECAUSE THEY HAVE WORKING RELATIONSHIPS AND THIS IS WHAT THEY DO IS HELP CITIES DELIVER ON MEASURES WHETHER IT'S A GENERAL SALES TAX, PARCEL TAX, WHATEVER. WE HAVE MECHANISMS AND ARE SET UP TO DO THIS. THE STAFF WILL BE TASKED BUILD THE RELATIONSHIP TO GET THE RIGHT CONSULTANTS AN GET THEM WHERE WE NEED

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

AND THEY'RE INTEGRATE AND UNDERSTAND THE COMMUNITY. THAT'S A PART OF OUR SELECTION PROCESS TO MAKE SURE THEY UNDERSTAND NOT ONLY BERKELEY BUT WHATEVER THEY'RE WORKING ON IN TERMS OF THE FUNDING SOURCE. ALL OUR FUNDING SOURCES HAVE SOME RESTRICTIONS. FF IS VERY UNIQUE AND SB1 HAS REPORTING REQUIREMENTS TO THE STATE, ETCETERA. WE BUILD THAT IN OUR SELECTION PROCESS.

>> M. Humbert: THANK YOU, I APPRECIATE THAT. THE PAVING PLAN HAS HISTORICALLY BEEN DONE BY ENGINEERING. HAVING BEEN ON THE TRANSPORTATION COMMISSION AND ALSO HAVING BEEN IN PUBLIC WORKS FOR A BLINK OF AN EYE WITH DO YOU THINK IT MAKES SENSE TO INCLUDE THE TRANSPORTATION DIVISION IN THE PAVING PLAN. IT'S NOT JUST PAVING BUT COMPLETE STREETS AND FF AND I'D LIKE PERSONALLY LIKE TO SEE MORE PARTICIPATION THAN WE'VE HAD HISTORICALLY FROM THE TRANSPORTATION SIDE OF THE PUBLIC WORKS DEPARTMENT.

>> THAT WAS OUR MORNING CONVERSATION. AGAIN WE'RE ALIGNED THERE AND AGREE ABOUT THIS IS AN OPPORTUNITY TO LEVERAGE ALL THE STRENGTHS OF THE DEPARTMENT AND HAVE MORE INTEGRATED PLANNING. WE'RE ALREADY HAVING CONVERSATIONS HOW TO ALIGN RESOURCES AND PUT THINGS IN PLACE TO DO THAT. THERE WILL STILL BE TRANSPORTATION SPECIFIC PROJECTS AND ONE-OFF PROJECTS. WE'LL CONTINUE TO HAVE SEPARATE PROJECTS BUT THIS REALLY GIVES US A FRAMEWORK TO NOW TAKE ALL OF OUR FUNDING AND ALIGN IT AROUND ALL THE PLANS THAT WE SHOWED. THAT WAS THE INTENT OF SHOWING THE VARIOUS PLANS. WE SEE THOSE FIVE, SIX PLANS NOW AS BEING INTEGRATED THROUGH FF.

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

>> M. Humbert: THAT IS MUSIC TO MY EARS. WE HAVE CORRIDORS DUE TO BE PAVED AND CLAREMONT HAS ONE IN 2027 MAYBE AROUND THE CORNER OF THE CURRENT PAVING PLAN. AND OXFORD I THINK IS DUE TO BE PAVED. THEY'RE DUE FOR SIGNIFICANT CORRIDOR STUDIES. CAN YOU LET ME KNOW A LITTLE BIT ABOUT WHAT YOU ANTICIPATE IN THAT REGARD WHEN THOSE STUDIES WILL START? OXFORD HAS BEEN PUSHED BACK A LITTLE BIT BECAUSE OF ZACHARY'S CORNER AND REPURPOSED THE FUNDING TO PRIORITIZE THAT REFERRAL. SO OXFORD WILL NOW MOVE IN 2028 BUT WHEN IT DOES, ABSOLUTELY THE COMPLETE ASPECT IS PART OF THAT. WE HAVE PRELIMINARY ASSESSMENTS FROM THE PAST WE'LL PICK UP AND DUST OFF AND TAKE FROM THERE. CLAREMONT YOU'RE CORRECT, IT'S FOR FISCAL YEAR '27. RIGHT NOW WE HAVE FISCAL YEAR '25 OUT TO BID. AND WORKING ON THE DESIGN ELEMENTS. SO WE HAVE TIME AND GOT FEEDBACK FROM FIRE DEPARTMENT AND OTHERS THE CORRIDOR IS OF INTEREST. WE'LL LOOK AT THAT AND AGAIN WITH A COMPLETE STREET LENS. I DO WANT TO MAKE A COMMENT TO THE PREVIOUS QUESTION. IT'S NOT TRANSPORTATION DID NOT COLLABORATE IN THE PAST ON PAVING PROJECTS. AS TERRENCE POINTED OUT, NOW WITH FF IT'S ALL HANDS AND THE FUNDING AND RESOURCES THERE. BEFORE WE WERE TRYING TO UTILIZE THE LIMITED FUNDING WE HAVE AND WITH THE ALLIGATOR CONDITIONS EVERYWHERE IT'S A TRADE-OFF AND WE TALKED ABOUT IT IN OUR LATEST CONVERSATION THIS MORNING THAT'S OUR GOAL AND MISSION TO MAKE SURE WE HAVE MANY LAYERS AND AS A COMPONENT TO LOOK AT IT HOLISTICALLY. WE WANTED TO MAKE IT CLEAR I WANT KNOW WE WANT TO START DELIVERING PROJECTS AND IMPROVEMENTS BUT THE MORE WE ADD THE SQUARE FOOTAGE COMES SHORTER AND THE VISION AND

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

GOAL IS THERE.

>> M. Humbert: THANK YOU VERY MUCH AND THANK YOU FOR MENTIONING THE FIRE DEPARTMENT WITH RESPECT TO CLAREMONT BECAUSE I KNOW THEY ARE HAVE PLANS IN DEVELOPMENT. IT WILL BE CRITICAL TO WORK WITH THEM ON DESIGNING CLAREMONT. THE FINAL QUESTION -- WELL, I HAVE A SPECIFIC QUESTION. DON'T WE ALREADY HAVE A DIG ONES OF ONES POLICY? I WAS ON THE PUBLIC WORKS' SUBCOMMITTEES. DO WITH HAVE A POLICY?

>> WE DO.

>> M. Humbert: AND FINALLY MY QUESTION OPEN-ENDED, WHAT CAN COUNCIL DO TO HELP YOU SUCCEED IN ALL THIS. IT'S A MASSIVE AMOUNT OF WORK AND MUST BE EXCITING BUT IT'S DAUNTING. I WANT YOU TO KNOW I'M HERE TO DO WHATEVER I CAN TO HELP YOU SUCCEED BRUT THINK ABOUT WHAT YOUR ASKS MIGHT BE.

>> WE APPRECIATE THAT, COUNCILMEMBER AND ONE OF THE REASONS WE WANTED TO START THE CONVERSATION BEFORE WE GET INTO REVENUES AND GET FEEDBACK FROM THE COUNCIL. CERTAINLY THIS IS WHAT WE NEED TO GET FEEDBACK AND DIRECTION AND ASK QUESTIONS TO MAKE SURE WE'RE ON THE RIGHT TRACK.

>> M. Humbert: THANK YOU SO MUCH.

>> IF I CAN ADD, I THINK TERRENCE PROVIDED A GOOD SLIDE IN STEPS WHETHER COORDINATING WITH UTILITY COMPANIES TO DIG ONCE OR MAXIMIZE REPAVING AND FAST TRACKING DECISIONS AND REQUIREMENTS. IT'S CRITICAL BECAUSE THAT'S THE GAME PLAYER I GIVE OUR TEAM TO SAY WE HAVE FULL SUPPORT. THIS IS ALL WE NEED TO DO. RUN WITH IT. LET'S GET IT OUT.

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

>> M. Humbert: THANK YOU. THAT THE ALL I HAVE. THAT WAS A LOT.

>> FOLKS, SO WE KNOW IT'S 5:30. SO JUST TO BE AWARE. I KNOW YOU FOLKS HAVE A LOT OF QUESTIONS. I WANT TO MAKE SURE YOU ASK THEM BUT AS WE'RE THINKING ABOUT THEM, PREPARED BECAUSE WE HAVE A LOT OF FLASHING LIGHTS RIGHT NOW. COUNCILMEMBER BLACKABY.

>> B. Blackaby: I FOR ONE AM VERY EXCITED ABOUT PAVEMENT. GLAD YOU'RE HERE. THANK YOU FOR THE PRESENTATION. I PROMISE I WON'T ASK TEN QUESTIONS LIKE LAST WEEK. I'LL BE MORE JUDICIOUS. I APPRECIATE THE DISCRETION. ON THE SIDEWALK NUMBER YOU TALKED ABOUT DEFERRED MAINTENANCE $60 MILLION I ASSUME IT'S EXISTING SIDEWALKS OPPOSED TO MY DISTRICT LOTS OF STREETS WITH NO SIDEWALKS. THAT'S MEASURED SIDEWALKS AND NOT PLACES WHERE MAYBE WE SHOULD BUILD SIDEWALKS IS THAT FAIR?

>> THAT'S CORRECT. OWN SQUARE FEET FROM PCI MEASURES ARE THEY HOW I GET BACK TO HUNDRED OR NEVER GET TO A HUNDRED, YOU'RE JUST TRYING TO GET TO A LESSER NUMBER.

>> THANK YOU, COUNCILMEMBER. THAT'S A GREAT QUESTION. YOUR GOAL IS TO GET TO 90 AND 100. THAT'S THE SWEET SPOT. WHEN YOU GET TO REHABILITATION YOU GET TO 100 AND WHEN YOU DO MORE OF A MAINTENANCE TREATMENT YOU GET SOMEWHERE IN THE 91s, 92s. SO AGAIN IT FALLS ON THE BASIC PRINCIPLE OF THE RIGHT TREATMENT TO THE RIGHT PAVEMENT AT THE RIGHT TIME.

>> B. Blackaby: IT'S NOT WHERE YOU SAY GET TO 50 TO 80 AND CALL IT GOOD.

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

>> IF YOU'RE IN THE 50s, THEN YOU'RE LOOKING AT THE RESTORATIVE TREATMENTS WILL TAKE IT TO A HUNDRED. IF YOU'RE IN THE 70 RANGE AND DOING SURFACE SEALS YOU'LL GET IN THE 90s.

>> B. Blackaby: I HEARD STREET REACH A CONDITION WHERE IT'S BETTER TO LET THEM FAIL AND REBUILD. IS THAT FAIR AND ACCURATE? IS THAT CONTEMPLATED IN HOW YOU DO THE SOFTWARE?

>> ABSOLUTELY AND TAKEN IN THE MANAGEMENT STYLE APPROACH.

>> B. Blackaby: WE HAD A CLOSED SECTION AND TALKED ABOUT OUR BROADER LIABILITY FOR POUR STREET AND HOW IT FITS INTO OUR PRIORITIZATION BECAUSE THAT'S AN UNSEEN COST OF PEOPLE SLIPPING AND FALLING ON STREETS. THE MORE STREETS WE HAVE IN BAD REPAIR AND LETTING THOSE GO TO FURTHER BAD REPAIR, IT'S NOT COSTLESS TO US TO LET THOSE SIT IN THAT CONDITION. I WONDER IF THAT'S ALSO CONTEMPLATED.

>> ALSO. YOU'RE TRYING WITH THE CRITICAL POINT MANAGEMENT STYLE YOU'RE PICKING STREETS FROM EACH ONE OF THE GENERAL REGIONS OF THE DETERIORATION CURB.

>> WHEN YOU TALK ABOUT MAINTAIN ROAD SYSTEM AND THE AMOUNT OF MILES ARTERIAL, COLLECTOR AND RESIDENTIAL, I'D LOVE TO SEE IN THE FUTURE SOME CALCULATION OF LIKE USAGE ON EACH OF THOSE. THEY'RE ONLY 22 MILES OF ARTERIALS BUT IT GETS 1,000 MILES BASED ON USAGE. THAT'D BE INTERESTING BECAUSE RESIDENTIAL AND ARTERIALS GET MORE TRAFFIC SO IN TERMS OF USAGE OF THOSE KIND OF CAT GRAZE. COUNCILMEMBER KESARWANI'S QUESTIONS AND WOULD LOVE TO SEE THE SCENARIO THAT EXISTS AND FLIPPING TOWARDS THE END ON MEASURE FF, WE HAVE PARTNER PROJECTS IN MY

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

DISTRICT AND MORE WE CAN DO THAT WILL MAKE EVERYONE'S LIVES EASIER AND HAPPIER IN TERMS OF PUBLIC WORKS PERSPECTIVE. QUESTIONS ON PRIORITIZATION. WHEN DO YOU ANTICIPATE WE'LL SEE OR WILL BE ABLE TO WEIGH IN ON NEXT SET OF CRITERIA HOW TO DO THE PRIORITIZATION. I HAVE CONCERNS ABOUT ADDING OTHER ATTRIBUTES TO THE MODEL. IS A PARTICULAR ROAD ON AN EVACUATION ROUTE OR AN EVACUATION ROUTE FROM THE EMERGENCY PERSPECTIVE AND SHOULD IT BUMP UP WITH THAT. NOT SURE IT DOES IN THE CURRENT MATRIX. CURIOUS IF A STREET HAS NEVER BEEN REPAVED BEFORE SHOULD IT ALSO GET A BUMP UP. THINGS LIKE THAT THAT WOULD GO A LONG WAYS TOWARDS NEIGHBORHOOD SATISFACTION. THE QUESTION WOULD BE WHEN WE MIGHT BE ABLE TO WEIGH IN AGAIN OWN WHAT THE PRIORITIZATION WILL ALGORITHM LOOKS LIKE. YOU

>> GREAT QUESTION. I DON'T HAVE A DEFINITIVE ANSWER BUT WHAT I'LL SAY IS RIGHT NOW IN OUR CURRENT TIME LINE I WOULD SAY MAY AND JUNE TIME LINE IS WHEN WE'LL GET RESOURCES IN PLACE AND AS WE BUILD OUT THE FRAMEWORK AND PRIORITIZE PROJECTS WE WILL COME BACK FOR POLICY DISCUSSION. ONCE WE HAVE THE DATA GOING THROUGH THE P TAP, PAVEMENT TECHNOLOGY ASSISTANCE DATA AND GATHERING DATA FOR 2025. ONCE JOE AND HIS GROUP ARE DONE WITH THAT WE'LL HAVE THAT UPDATED INFORMATION AND HAVE A TOOL TO MODEL TO PUT IN VARIOUS CRITERIA AND COST INFORMATION AND SPIT OUT THE CHARTS YOU SAW. AROUND THE TIME FRAME IS WHEN WE ANTICIPATE BEING READY TO DO THAT. I WOULD LOVE TO SEE ACTUAL TRAFFIC DATA LIKE CAR TRIP, BIKE TRIP, PEDESTRIAN TRIPS. DO WE KNOW HOW MUCH THESE PIECES OF INFRASTRUCTURE ARE BEING USED AND IN WHAT WAYS?

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

BEYOND WHAT PEOPLE WANT AND WHAT ARE WE SEEING IN TERMS OF PERFORMANCE? AGAIN, I DON'T KNOW HOW TO PRESENT THAT BUT THAT WOULD BE SOMETHING GREAT TO SEE. YOU MENTIONED WE HAD LIKE GOALS FOR BETTER COMMUNICATION. COULD YOU TALK TO US IN TERMS OF NEIGHBORHOODS OR HOW WE COULD BE HELPFUL IN COMMUNICATING WITH NEIGHBORS SO PEOPLE KNOW WHAT'S GOING ON AND COMING AND ANYTHING THERE OR YOUR THOUGHTS HOW TO IMPROVE THAT.

>> WE WANT TO START THE COMMUNICATION AND TRY TO DO MORE OF THIS AS WE CAN. AS WE GO THROUGH FF. PART IS ABOUT BETTER COMMUNICATION AND THERE'S A RECOGNITION HOW TO DO BETTER ABOUT COMMUNICATING WHAT'S HAPPENING IN THE DISTRICTS SO FOLKS CAN SELF-SERVE AND GET INFORMATION ABOUT WHAT WE'RE DOING. WE'RE COMING ALONG WITH US AS WE PLAN. ONE OF THE THINGS ON THE DASHBOARD AND COMMUNITY LAYERS WE WANT TO GET YOU INFORMATION ON THE PLANNING PROCESS AND WHAT WE'RE CONTEMPLATING IS HAPPENING IN THE DISTRICT SO YOU CAN THEN TAKE THAT INFORMATION TO THE COMMUNITY. SO WE RECOGNIZE THERE'S A BIT OF A GAP THERE AND SOMETIMES FOLKS DON'T KNOW. THEY SEE THE PLAN ONCE A YEAR MAYBE IF THEY KNOW HOW TO FIND IT. SO WE'RE ALSO CREATING BETTER TOOLS. WE WANT TO SHARE THOSE WITH YOU SO THAT YOUR CONSTITUENTS HAVE THAT INFORMATION AS WELL.

>> B. Blackaby: THINKING HOW TO MANAGE THIS BUT YOU'LL HAVE THE SSCOC AND THE STANDARD COMMISSION AND THE PROJECT PRIORITIZATION PROCESS. HAVE YOU THOUGHT HOW THEY'LL BE EFFECTIVE AND NOT STEP ON EACH OTHER AT ALL?

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

>> NO.

>> B. Blackaby: THANK YOU FOR THE TIME AND PRESENTATION. THANKS, MAYOR.

>> Mayor A. Ishii: I'LL GO TO COUNCILMEMBER TAPLIN.

>> T. Taplin: IT SOUND LIKE YOU'RE WORKING ON POLICY SO YOU PROBABLY DON'T NEED COUNCIL TO GET IN YOUR WAY?

>> WE'D LIKE TO ADDRESS THOSE WITH THE COUNCIL AND COMMUNITY AND WE HAVE BEST PRACTICES AND WOULD LIKE TO PRESENT DRAFT RECOMMENDATIONS TO YOU AND GET FEEDBACK.

>> T. Taplin: WE'D LIKE TO WORK WITH YOU WITH WHATEVER IS NECESSARY. THANK YOU.

>> Mayor A. Ishii: COUNCILMEMBER TREGUB.

>> I. Tregub: THANK YOU SO MUCH. I WANT TO APPLAUD YOUR TEAM. THIS IS VERY IMPRESSIVE AND OUR OFFICE CONTINUES -- LOOKS FORWARD TO CONTINUING TO WORK WITH YOU. IF YOU FOLLOWED MY CONVENTION FOR ASKING QUESTIONS JUST FOR TIME OUR OFFICE IS THERE ARE OPPORTUNITIES WHEN WE BRING OUR INFRASTRUCTURE BACK TO THE 21st CENTURY TO LEVERAGE THE ADDITIONAL REQUIREMENTS AROUND GREEN INFRASTRUCTURE AND COMPLETE STREETS. AND YOU PROVIDED THIS BUT WE WERE CONCERNED ABOUT THE LACK OF STAFFING TO COMPLETE ALL OF THIS WORK YOU HAVE BEEN RAPIDLY STAFFING UP. CAN YOU GIVE US A STAFFING UPDATE INSOFAR AS THIS CAN HELP SUPPORT THE PLANS PARTICULARLY AROUND IMPLEMENTING MEASURE FF? IT'S MY UNDERSTANDING THE COLLECTION OF THE TAX STARTED JANUARY 1 THIS YEAR THOUGH THE TAX REVENUES DIDN'T COME TO THE CITY UNTIL

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

DECEMBER IT WILL BE 150% OF THE TAX RATE IN THE FIRST YEAR LATER ON DROPPING TO 100%. CORRECT ME IF I'M WRONG ON THAT. MY QUESTION IS HOW ARE YOU PLANNING TO LEVERAGE THE INFLUX OF MONEY THAT'S GOING TO BE FRONT LOADED AND YOU CONSIDER INCLUDING SOME ADDITIONAL FUNDS IN THE TRANSPORTATION BOND ISSUED EVERY JULY. IT SMOOTHS OUT THE CASH FLOW AND I KNOW WE DON'T HAVE A GRANT WRITER IN THE CITY. HOW CAN WE SUPPORT YOU IN LEVERAGING GRANT OPPORTUNITIES AS A COUNCIL? QUESTION FOUR, HAVE WE EXPLORED A WELL USER CHARGE AND WE HAVE ED RATE. MYSELF I HAVE A PLUG IN HYBRID AND I UNDERSTAND WHAT THAT DOES TO THE WORLD. I THINK THE BIGGER QUESTION IS ARE JURISDICTIONS WHERE SOMETHING LIKE THIS COULD BE EXPLORED. QUESTION NUMBER FIVE IS SO HOW ARE WE PLANNING FOR THE ECONOMIC UNCERTAINTY. HOW CONFIDENT ARE WE IN THE 10 YEAR PROJECTIONS WE SHOWED THE PLAN AND CONSTITUENTS ARE HAPPY BY THE PAVING IMPROVEMENTS AN IN MY DISTRICT AND THE TRAFFIC SAFETY MITIGATIONS SUCH AS ON MLK BUT TOLD ME AND IT WAS IN DIFFERENT PARTS OF THE DISTRICT. IT WAS ACROSS THE BOARD AND WHAT ARE YOU GOING AROUND NOTIFICATION AND TRANSPARENCY. AND I THINK MY LAST QUESTION THAT I WILL ASK ON THE DAIS -- TWO QUESTIONS. ONE COMMENT. ALSO VERY INTERESTED LIKE ONE OF MY COLLEAGUES TO SEE HOW TO LEVERAGE OPPORTUNITIES TO WORK WITH OUR UTILITIES TO EXTRACT. NOT EXTRACT. BUT TO MAKE SURE UTILITIES ARE PAYING THEIR FAIR SHARE AROUND IMPROVEMENTS AND FINALLY HOW ARE WE LEVERAGING OR HOW CAN WE LEVERAGE OPPORTUNITIES TO WORK WITH NEIGHBORING JURISDICTIONS AND ALAMEDA COUNTY, ETCETERA. BERKELEY IS DOING A HECK OF A LOT AND IT'S GREAT. I

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

LOVE GOING TO CONFERENCES AND BRAGGING ABOUT THE THINGS BERKELEY IS DOING ON THIS FRONT. AND IMPROVEMENTS ALSO BENEFIT OTHER JURISDICTIONS ESPECIALLY AROUND THE BORDER AREAS AND SO I'M WONDERING HOW CAN WE BE MORE ALIGNED WITH OUR NEIGHBORS TO MAKE SURE THEY ALSO DO THEIR FAIR SHARE OF IMPROVEMENTS AT THE SAME TIME OR DON'T JUST GET ALL THE BENEFITS BUT BEAR NONE OF THE COSTS. THANK YOU.

>> Mayor A. Ishii: RAPID FIRE ANSWERS.

>> HERE WE GO. SO, IN TERMS OF THE PLANNING. WE HAVE A LOT OF PLANS AND THIS UNIFIED PLANNING RIGHT NOW THE -- MY TIME LINE HAS THAT INITIAL FRAMEWORK COMING BACK AROUND OCTOBER. SO WE DO HAVE TO GET CONSULTING SUPPORT AND STAFF REALIGNMENT TO BE ABLE TO DO A LOT OF THIS WORK. THE FOLKS YOU SEE AT THE TABLE MANY ARE DOING PLAN UPDATES RIGHT NOW. WE HAVE TO LET THE PROCESS GO AS WELL TO HAVE THE LATEST INFORMATION. STAFFING UPDATE. THANK YOU FOR THE SHOUT OUT ON THAT. HATS OFF TO THE TEAM. WE'VE REDUCED OUR OVER ALL VACATION RATE AND WE HIRED KEY POSITIONS THERE AND WE WILL CREATE ADDITIONAL STAFFING OPPORTUNITIES TO DO THIS KIND OF INTEGRATED AND WHAT I WOULD CALL THIS LONG RANGE PLANNING EFFORT. YOU ARE CORRECT IN TERMS OF THE WAY THE REVENUE MEASURE FF WAS BUILD BEGINNING IN JANUARY. AND MY UNDERSTANDING IS IT'S BUILT FOR 18 MONTHS SO THERE IS THIS 150% YEAR ONE AND THEN YEAR 14 IS REDUCED BY HALF. THAT EXTRA REVENUE WE HAVE NOT COMPLETED THE PROJECTIONS PRECISELY. HAPPY TO WORK WITH THE CITY MANAGER OFFICE TO REFINE THOSE BUT ESSENTIALLY THE GOAL IS TO LEVERAGE THAT TO JUST DO MORE PROJECTS AND AS WE GET STARTED. THERE'S

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

ALWAYS A GOAL WHETHER IT'S MEASURE FF OR BB OR GENERAL FUND CONTRIBUTIONS WE YOU UTILIZE THOSE AS LEVERAGE FOR MATCHED OR GRANTS AND WILL CONTINUE. ERIC HAS BEEN VERY SUCCESSFUL DO DOING THAT ON THE TRANSPORTATION SIDE. WE'LL CONTINUE TO LOOK FOR OPPORTUNITY. IF THE FEDERAL SIDE THOSE THINGS ARE SHIFTING AND SLOWING DOWN A BIT. IN TERMS OF ECONOMIC UNCERTAINTY. THIS IS A ROAD MAP AND EACH YEAR WE'LL UPDATE THE ESTIMATES ON THE REVENUE SIDE AND COST ESTIMATES AS WAHID AND JOE INDICATED WE CAN DO OUR BEST CRITICAL BALL AND THEN FIND OUT BID PRICES COME BACK 20%, 30% HIGHER. JUST LIKE OUR ANNUAL BUDGET OR BIANNUAL BUDGET THIS IS SOMETHING WE'LL HAVE TO UPDATE EACH YEAR. THE COMMUNITY NOTIFICATION I AGREE, I GOT SOME CALLED AS WELL AROUND FOLKS WHO WERE NOT AWARE OF PROJECTS WE WERE DOING. PART OF OUR STAFFING PLAN FOR MACHINE FF IS COMMUNITY ENGAGEMENT POSITION WHO NOT ONLY WILL UTILIZE OUR TRADITIONAL METHOD AROUND OR WEBSITE AND COMMUNITY MESSAGES AND SOCIAL MEDIA PUT AN INDIVIDUAL WHO CAN CONNECT WITH THE COMMUNITY. I FOUND OFTEN FOLKS STILL WANT TO TALK AFTER THE PROJECT IS COMPLETED AND OUR ENGINEERS MOVED ON TO THE NEXT PROJECT SO IT MAKES IT DIFFICULT SO WE'LL HAVE A DEDICATED RESOURCE FOR THAT SUPPORT BECAUSE I AGREE WEDGE YOU THAT THAT'S A MISSED OPPORTUNITY TO HAVE A COMMUNICATION WITH THE COMMUNITY. OPPORTUNITIES TO WORK WITH REGIONAL NEIGHBORS. WE HAVE CONVERSATIONS WITH OUR REGIONAL PARTNERS AND THE NEIGHBORING JURISDICTION ON A REGULAR BASIS TO SHARE INFORMATION, COORDINATION AND PLANNING OUTSIDE OF ALBANY TO A CERTAIN EXTENT BECOMES DIFFICULT. IN A PERFECT WORLD WE'D TALK ABOUT BEST

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

PRACTICES AND TALK ABOUT SHARED RESOURCES AND HAVE BROADER REGIONAL PROJECT. TYPICALLY I FOUND THAT IT'S DIFFICULT BECAUSE EACH ORGANIZATION HAS ITS OWN PROCESS STANDARD AND SPECS TIME LINE AND CONTRACTS. IT'S SOMETHING WE CONTINUE TO CHASE AND HAVE THE SAME SHARED GOAL. WE CAN HAVE THE CONVERSATIONS BUT IT'S TRICKY AND DIFFICULT TO SOLVE FOR.

>> I. Tregub: THANK YOU. I HAD A QUESTION ABOUT THE QUOTE USER CHARGE.

>> I'M SORRY. I SKIPPED THAT ONE ON PURPOSE.

>> I. Tregub: [LAUGHTER] I DON'T BLAME YOU.

>> AS WE TALK BROADLY ON ONE OF THE SLIDES ABOUT IMPACT FEES, THAT IS CONTEMPLATED IN THERE AS POTENTIAL IMPACT FEEDS FOR NOT ONLY DEVELOPMENT OR LARGE VEHICLES BUT ALSO BE FOR AS JOE INDICATED THE LOAD OF AN ELECTRIC VEHICLE IS SIGNIFICANT IN TERMS OF WHAT IT DOES TO THE ROADWAY. THOSE ARE ALL THINGS WE CAN EXPLORE. I DON'T KNOW OFFHAND PERSONALLY. WE'LL HAVE TO TALK WITH THE TEAM ABOUT WHO'S DONE THAT IN THE REGION BUT THAT'S SOMETHING WE CAN CERTAINLY TAKE A LOOK AT AND SEE IF THERE'S AN APPETITE FOR THE COUNCIL.

>> I. Tregub: GREAT, THANK YOU SO MUCH. I WILL PROVIDE THE BALANCE OF MY QUESTIONS IN WRITING TO YOUR TEAM BUT IN CLOSING I SHARE COUNCILMEMBER KESARWANI'S DESIRE WHEN YOU SHOWED THE DIFFERENT LINES ON THE CHART. I'D LIKE TO SEE THE LINE THAT SHOWED WHAT IT WILL TAKE UNDER MEASURE FF. WHAT HOW CAN WE GET IT TO THE GOALS OF FF AND BEING SPECIFIC ABOUT LOCALIZED FUNDS TO THE SPECIFIC INTENDED PURPOSE.

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

THANK YOU SO MUCH.

>> Mayor A. Ishii: THANK YOU AND I THINK WE'D ALL BE INTERESTED IN THAT JUST TO SAVE FOLKS THAT COMMENT. I WOULD LIKE TO MOVE ON NEXT TO COUNCILMEMBER LUNAPARRA. THESE ARE QUESTIONS.

>> C. Lunaparra: OFTEN BETWEEN STREETS ARE REPAVED AND PEOPLE CAN GO FASTER AND CAN EVEN BECOME MORE DANGEROUS. I CAN SEE THIS HAPPENING WITH NEIGHBORHOOD STREETS SUCH AS CLAREMONT AND HOPKINS AND DWIGHT AND WONDERING HOW IT'S BEING TAKEN INTO CONSIDERATION WITH THE NEW FF FUNDING WHEN MAKING THE DECISION IN THE DESIGNS.

>> GREAT QUESTION. BEFORE FF WE PUT TOGETHER A TASK FORCE MIXED WITH OUR CONSULTANT STAFF MEMBERS AND NEW STAFF MEMBERS WITHIN TRANSPORTATION AND ENGINEERING TO ASSESS THAT. WE WILL PUT TOGETHER A GAME PLAN ON PRE AND POST ANALYSIS TO LOOK AT THE METRICS AND SEE REALISTICALLY WHAT'S OCCURRING. THE PLAN IS WHAT IS IMPLEMENTATION IS IN PLACE WE'LL LEAVE TIME FOR IT TO NORMALIZE BECAUSE WE HAVE A CHANGE OF CHARACTERISTICS AND MAYBE A MONTH LATER WE'LL HAVE A CONSULTANT DO AN ANALYSIS TO SEE THE TRENDS. AND FROM THERE LOOKING AT IT IF WE HAVE THE DATA TO SUPPORT IT, THIS IS WHERE FF COMES IN. WE WOULD LIKE TO EVENTUALLY HAVE THE DATA SUPPORTING IT AND FACTS TO ENGINEER AS PART OF IT. SO IT'S NOT LET'S STUDY IT AFTER THE FACT BUT PART OF THE UPCOMING INFRASTRUCTURE PROJECT BECAUSE WE KNOW WHEN WE'VE DONE THE STUDY AND THE DATA SHOWS SUPPORTS WE NEED ADDITIONAL FEATURES AS PART OF THE PROJECT TO CONTROL THAT ENVIRONMENT. DOES THAT ANSWER YOUR QUESTION?

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

>> C. Lunaparra: SO IT'S DONE RETROACTIVELY FOR THE MOST PART? THANK YOU. MOST MY QUESTIONS WERE ANSWERED EARLIER. THANK YOU FOR THE PRESENTATION.

>> Mayor A. Ishii: COUNCILMEMBER BARTLETT.

>> B. Bartlett: REALLY GREAT WORK AS ALWAYS. OF COURSE GRAPPLING WITH INFRASTRUCTURE DEFICIT THAT IS EVERYWHERE. WE'RE AT THE POINT NOW WE HAVE TO RECOGNIZE THE OLD WAYS AREN'T WORKING AND GET INTO THE NEW WAYS. I'M CURIOUS ABOUT THE COST ESCALATION THAT'S MADE IT HARDER. ANY KEY DRIVERS? NO ONE INTENDED. I JUST REALIZED I MADE A JOKE.

>> GOOD QUESTION. SOME OF THEM ARE THE NEED TO DEAL WITH SOME OF THE UNFUNDED REGULATIONS WHICH ARE NEWER TO PROJECTS. WE'VE ALSO SEEN IS CONTRACT SPECIFIC ELEMENTS WITHIN CONTRACTOR BIDS GO UP SIGNIFICANTLY. ONE OF THOSE FOR INSTANCE IS TRAFFIC CONTROL.

>> WE'VE SEEN LIKE, A 300% JUMP IN JUST THE TRAFFIC CONTROL AND WE HAVE BEEN TREATING IT TO INSTEAD OF JUST A CONTRACTOR, SELF PERFORMING TRAFFIC CONTROL, THEY ARE SUBBING THAT ONE OUT AND WHEN THEY SUB IT OUT IT'S BEEN MORE EXPENSIVE. SO I HAVE SEEN, THAT SOME OF THE THINGS THAT WE'VE SEEN.

>> B. Bartlett: WHAT ABOUT MATERIALS?

>> MATERIALS HAVE GONE UP. NOT AS MUCH AS WE MIGHT THINK. YOU KNOW, THERE'S A TIE WITH PAVING PROJECTS TO THE OIL INDEX, AND EVERYONE MIGHT SAY WELL, THE BARREL OF OIL WENT UP THERE AND THE BARREL OF OIL WENT UP THERE. THE COST OF LABOR, THE PREVAILING WAGE KEEPS CONTINUING TO BE RAISED BY THE STATE AND THAT TRICKLES DOWN TO OUR

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

PROJECTS. AND ALSO, AGAIN, LIKE SOME OF THE REGULATIONS, JUST RECENTLY IN THE LAST COUPLE OF YEARS WE HAVE SWITCHED OVER TO HOW INDEPENDENT TRUCKING OPERATORS WOULD BE ABLE TO COUNT THEMSELVES OR EXEMPT FROM HAVING TO PAY THEMSELVES PREVAILING WAGE NOW BECAUSE OF THE REGULATIONS THEY PAY THEMSELVES PREVAILING WAGE IF YOU'RE AN INDEPENDENT SINGLE TRUCKING OPERATOR. THAT HAS SIGNIFICANTLY IMPACTED THE COST OF TRUCKING, FOR INSTANCE. MATERIALS ARE ALMOST DROWNED OUT, ANY INCREASE IN MATERIALS ARE ALMOST DROWNED OUT BY REGULATED FACTORS THAT ARE CAUSING PRESSURE ON THE COST. HAVE YOU SEEN ANYTHING DIFFERENT?

>> I WAS JUST GOING TO COMMENT THE MAJORITY WE HAVE SEEN IS LABOR QUITE A BIT.

>> THESE ARE GOOD TO KNOW BECAUSE WE HAVE A LOBBYIST IN THE CITY AND WE CAN SWITCH SOME QUICK FIXES IF WE CAN. IT'S GOOD TO HAVE THESE PARCELED OUT POTENTIAL AREAS WE COULD FIX. SO THANK YOU.

>> Mayor A. Ishii: THANK YOU. COUNCILMEMBER O'KEEFE?

>> S. O'Keefe: I HAVE 10 OR 11 QUESTIONS FOR YOU.

>> [LAUGHTER]

>> S. O'Keefe: READY? THEY WERE ALMOST ALL ANSWERED LUCKILY. I GUESS THAT WAS THE JABBY DOOR. THERE'S ONE THING THAT WAS LEFT THAT CAME UP IN THE CONVERSATION. I'M CURIOUS ABOUT THE HOLISTIC PROCESS YOU ARE UNDERGOING, YOU KNOW WHAT I MEAN, TO TAKE FF AND GREENSTREET AND EVERYTHING AND TRYING TO FIGURE OUT WHAT TO DO. MY UNDERSTANDING IS YOU ARE CURRENTLY DEVELOPING A NEW PROCESS FOR PRIORITIZATION AND

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

IT'S GOING TO COME BEFORE US AT SOME POINT. MY QUESTION IS, IS IT JUST PRESENTED? DO WE HAVE TO APPROVE IT? IS THERE A FORMAL OPPORTUNITY FOR US TO WEIGH IN? I'M INTERESTED IN WHAT THAT FORMAL PROCESS LOOKS LIKE, AND THAT'S MY QUESTION.

>> GREAT QUESTION. IN A PERFECT SCENARIO WE WOULD ALIGN THAT PROCESS WITH THE ADOPTION OF OUR C.I.P.. I DON'T KNOW ABOUT THE TIMING BECAUSE I DON'T KNOW THAT'S ONE OF THE VEHICLES THE COUNCIL ADOPTS THE C.I.P. EACH YEAR. WE HAVE TO GIVE SOME THOUGHT TO THE TIMING OF THAT, BUT IN ESSENCE IT WOULD BE ALMOST LIKE AN ELEMENT OF THE C.I.P. IN TERMS OF HERE'S THE CRITERIA AND WE WOULD EXPAND THE C.I.P. DEVELOPMENT. NOTWITHSTANDING THE GOAL FOR US IS CERTAINLY TO BRING THAT CRITERIA FORWARD ALONG WITH POLICY RECOMMENDATIONS SO THAT THE COUNCIL CAN WEIGH IN AND MAKE SOME DETERMINATIONS. THAT ACTUALLY IS GOING TO BE CRITICAL BEFORE WE GO TOO FAR DOWN THE LINE IN TERMS OF ACTUALLY STARTING TO PROJECT OUT PROJECTS AND GET THOSE PROJECTS INTO DESIGN. SO THAT IS, I WOULD SAY IF THERE ARE MULTI-STEPS IN THIS KIND OF INITIAL PROCESS, THAT'S PROBABLY IN THE, LIKE, STEP THREE RANGE ONCE WE HAVE SOME FOLKS AND ONCE WE START TO DOCUMENT SOME POLICY DECISIONS, ONCE WE CAN APPROVE THIS POLICY WORK THAT'S UNDERWAY, THEN IT'S ABOUT WHAT KIND OF POLICIES DO WE WANT TO UTILIZE AND YOU'LL HEAR SOME RECOMMENDATIONS FROM US AROUND CRITERIA AS IT RELATES TO HOW WE MAXIMIZE DOLLARS, HOW WE ALIGN THESE PROJECTS TOGETHER AND GO FROM THERE. SO THAT IS EARLIER IN OUR JOURNEY TO HELP US MAKE A DETERMINATION. OTHERWISE, WE WOULD JUST BE PICKING PROJECTS BASED ON

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

EXISTING CRITERIA AND I CERTAINLY DON'T WANT TO MISS THE MARK THERE IF THERE'S DIFFERENT PRIORITIES.

>> S. O'Keefe: I'M SORRY, JUST TO BE SUPER CLEAR, IS THIS SOMETHING WE HAVE TO WEIGH IN ON BEFORE IT'S IMPLEMENTED?

>> YES.

>> S. O'Keefe: OR WE HAVE TO APPROVE, I SHOULD SAY.

>> YES BECAUSE ULTIMATELY YOU APPROPRIATE THE DOLLARS AND YOU APPROPRIATE THE MONEY INTO THE PROJECT, SO BY DEFAULT YOU WOULD HAVE TO APPROPRIATE AND HAVE QUESTIONS AROUND WHAT PROJECTS YOU ARE APPROVING.

>> S. O'Keefe: OKAY, BUT THE ARTICULATION OF THE APPROVAL PROCESS ITSELF, I MEAN, I KNOW YOU SAID WE HAVE TO HAVE A CONVERSATION ABOUT AN THAT'S FINE.

>> I GUESS YES AND NO. YOU DO, BUT IN MANY WAYS YOU'RE GOING TO APPROVE THE VARIOUS PLANS THAT COME BEFORE YOU.

>> S. O'Keefe: RIGHT.

>> THAT'S ONE. YOU'RE GOING TO APPROVE THE C.I.P. AND THIS IS BASED ON THE C.I.P. AND PLANS. BY DEFAULT YOU WILL APPROVE THEM SEVERALLY, BUT WHAT I'M SAYING IS IN ORDER FOR US TO BE EFFECTIVE I THINK THE COUNCIL NEEDS TO SEE THE PRIORITIZATION CRITERIA AND POLICY RECORD EDITIONS BEFORE WE GET TOO FAR DOWN THE ROAD TO MAKE SURE WE ARE ALIGNED.

>> S. O'Keefe: OKAY. I THINK I UNDERSTAND. THANK YOU SO MUCH.

>> Mayor A. Ishii: OKAY. I THINK WE ARE GOING TO PUBLIC COMMENT, AND

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

JUST TO BE CLEAR BECAUSE I THINK FOLKS HAVE COME INTO THE GENERAL MEETING THAT WE ARE STILL IN THE SPECIAL MEETING AND WE ARE TAKING PUBLIC COMMENT ON THE PAVEMENT AND INFRASTRUCTURE PROGRAM. IS THERE COMMENT ON THAT? THANK YOU. VERY GOOD. GO AHEAD.

>> Public Speaker: THANK YOU, MADAM MAYOR. MARGARET SCHULLER, FORMER PUBLIC WORKS COMMISSIONER. SEVERAL COMMENTS HAVE COME UP AND I WILL BE WRITING A LOT OF YOU INDIVIDUALLY. ONE IS THE STREET SAVER CONCEPT, WHICH I'M REALLY HAPPY YOU BRIEFED THEM ON BECAUSE IT'S REALLY CORE, BUT THE THING TO REMEMBER IS IT'S GEARED FOR ASPHALT STREETS, WHICH MEANS IT'S HARD TO INTEGRATE INNOVATION ON THE STREET PAVING MATERIALS. SO KEEP THAT IN MIND, IT'S HARD TO COMPARE AUSTIN WAY TO THE REST OF THE STREETS. P.E.I. HAS COME UP WITH A MECHANISM TO DO THAT, BUT IT'S NOT STRAIGHTFORWARD. TWO, THE WEATHER IMPACTS ISSUE YOU GUYS HAVE TALKED A LOT ABOUT WATER. YOU DON'T WANT TO FORGET HEAT, AND THAT RAISES THE ISSUE OF COORDINATION WITHIN DEPARTMENTS, THE ISSUES OF THE PARKS DEPARTMENT BEING INVOLVED. THE PARKS CONTROL OUR STREET TREES. THAT CONTROLS OUR STREET SURFACE TEMPERATURE. THEY HAVE TO BE ENGAGED IN THE PROCESS AS WELL. FURTHER TREMENDOUSLY COMPLETING YOUR WORK, MR. DAVIS. AND THE OTHER ISSUE ABOUT THE IMPACTS OF ASPHALT AS A MATERIAL, ASPHALT HAS SHOWN TO BE THE SINGLE MOST DAMAGING MATERIAL TO SALMON. THE ENTIRE WEST COAST, THE UNIVERSITY OF WASHINGTON HAS STUDIED THIS, HAS COME UP WITH A RECOMMENDATION IN THE PUGET SOUND. THEY ARE NO LONGER ALLOWING ASPHALT OVERLAYS. THIS WE HAVE GOT TO CONSIDER MATERIALS NOT JUST

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

BECAUSE OF CLIMATE CHANGE, NOT JUST BECAUSE OF WATER INNOVATION, IT KILLS FISH. WE LIVE ON THE BAY. BUNDLING REQUESTS WITH UTILITY SERVICES. OUR UTILITIES ARE ALL DIFFERENT. SOME OF THEM ARE PRIVATE, SOME OF THEM ARE PUBLIC. ARE YOU ASKING THE CITY OF RICHMOND TO HELP PAVE ITS OLD STREETS A WIDER PAVEMENT PROCESS THAN ANY OTHER CITY AND ITS JURISDICTIONS. THAT DOESN'T FLY.

>> Mayor A. Ishii: THANK YOU FOR YOUR COMMENTS. APPRECIATE YOU BRING THAT UP. ALL RIGHT.

>> Public Speaker: MADAM MAYOR AND COUNCILMEMBERS, MY NAME IS RAY. I WAS A MEMBER OF THE FORMER PUBLIC WORKS COMMISSION AND WAS ALSO FORMERLY A MEMBER OF THE TRANSPORTATION INTO STRUCTURE COMMISSION. TODAY IS A VERY EXCITING DAY. CONGRATULATIONS TO DIRECTOR DAVIS AND THEIR TEAM. EXCELLENT PRESENTATION. I WILL SKIP THE DETAILED COMMENTS ON THAT, BUT I WANTED TO TAKE A MINUTE TO GIVE CREDIT ON HOW WE GOT HERE TODAY. SO THE ROAD TO GET TO TODAY WAS NOT QUICK AND WAS NOT EASY. A LOT OF CREDIT GOES TO THE FORMER PUBLIC WORKS COMMISSION. MARGO SCHULLER, WHO YOU JUST HEARD FROM. LARRY HENRY WAS FORMERLY HERE, MYSELF, HAD WORKED ON PAVING ANALYSIS FOR AT LEAST 15 YEARS EACH. I'D LIKE TO ALSO GIVE CREDIT TO OUR AUDITORS, JENNY WONG AND FORMER AUDITOR ANNE-MARIE HOGAN. THEY REALLY RAISED AWARENESS ON OUR STREET CONDITION. ALSO WANT TO GIVE CREDIT TO OUR FORMER MAYOR WITH HIS VISION ON 2050. THE TASK FORCE DID TREMENDOUS WORK AND PREPARED A REPORT ACCEPTED BY COUNCIL. AND LAST BUT NOT LEAST, I WANT TO GIVE CREDIT TO THE CITY COUNCIL. IN PARTICULAR I RECALL COUNCILMEMBER

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

KESARWANI SPEAKING VERY BOLDLY ABOUT THE NEED FOR GENERAL FUND MONIES AND THE ISSUE SHE BROUGHT UP EARLIER. AND COUNCILMEMBER TAPLIN FOR YOUR WORK WITH THE FIGHTS COMMITTEE AND CONTINUING TO RAISE AWARENESS ON INFRASTRUCTURE. SO THIS DAY IS A HAPPY DAY FOR PEOPLE CONCERNED ABOUT INFRASTRUCTURE. BUT THE ROAD TO GET HERE WAS LONG AND VERY DIFFICULT. THANK YOU.

>> Mayor A. Ishii: THANK YOU FOR YOUR COMMENTS, RAY. WE HAVE ANOTHER COMMENT IN PERSON.

>> Public Speaker: I WANTED TO PARTICULARLY THANK COUNCILMEMBER KESARWANI. I THOUGHT YOU GAVE INSIGHTFUL COMMENTS. NOT TO EXCLUDE ANYONE ELSE. I WAS CAPTURED BY COUNCILMEMBER TREGUB MENTIONING THAT WE DON'T HAVE A GRANT WRITER BECAUSE I RECALL A GRANT WRITER COMING BEFORE COUNCIL A FEW YEARS AGO AND THAT BEING APPROVED, SO I WAS JUST WONDERING WHAT'S HAPPENING BECAUSE IF THERE'S ANY TIME WE NEED A GRANT WRITER, IT'S NOW IN THESE ECONOMIC UNCERTAINTIES. THANK YOU.

>> Mayor A. Ishii: THANK YOU. ARE THERE ANY COMMENTS ONLINE?

>> YES. WE HAVE FOUR HANDS RAISED. FIRST SPEAKER IS FORMER COUNCILMEMBER GORDON WOZNIAK.

>> Mayor A. Ishii: JUST SO FOLKS KNOW, WE ARE TALKING ABOUT ITEM NUMBER TWO, PAVEMENT INFRASTRUCTURE PRESENTATION. GO AHEAD.

>> Public Speaker: THANK YOU, MAYOR AND COUNCIL, FOR LETTING ME COMMENT ON THIS. I WANT TO MAKE A COUPLE OF POINTS. FIRST IS I THINK IT'S A SERIOUS PROBLEM IF AFTER 14 YEARS -- FOUR IS ESSENTIALLY THE SAME. I THINK THE COUNCIL HAS TO LOOK AT SOME CREATIVE WAYS TO TRY TO

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

IMPROVE THAT. AND ONE IS BASICALLY THE MONEY THAT COMES INTO THE CITY OFTEN DIES OR IT GETS WHITTLED AWAY BY 1000 CUTS. YOU SHOULD REALLY TRY TO LOOK AT THIS AND TRY TO REDUCE ALL INDIRECT COST, ALL NONDIRECT COST, BASICALLY, OVERHEAD. WANT TO TRY TO REDUCE IT TO TRY TO GET MORE PURCHASING POWER FOR THESE FUNDS. THE OTHER IS THAT THERE WILL BE CERTAINLY AMOUNT OF VITAL FUNDS, MANY MILLIONS OF DOLLARS WHICH IS AN INVESTMENT ACCOUNT YOU WANT TO TRY TO GET HIGHER INTEREST RATES ON THAT WHEN YOU KNOW IT'S THERE LIKE YOU DO ON THE LONGER-TERM HEALTH PROGRAMS. THE OTHER IS AS HAS BEEN MENTIONED BY A COUPLE OF PEOPLE THAT THE PAVING CURVE IS NOT ONLY FOR ASPHALT. IT DOESN'T INCLUDE PERMEABLE PAVERS, WHICH THE ONE IN AUSTIN WAY IS THAT 100% 10 YEARS AFTER IT WAS PUT IN. IT DOESN'T HAVE THE SAME CURVE. HAS A MUCH BETTER CURVE. NOW IT COSTS MORE MONEY UP FRONT, BUT IT'S ACTUALLY GREENER BECAUSE IT TAKES STORMWATER AND FILTERS IT THROUGH THE GROUND. THIS SHOULD BE LOOKED AT NOT TO ASSUME IT'S ONLY GOING TO BE ASPHALT. PARTICULARLY FOR THE STREETS THAT HAVE VERY HEAVY TRAFFIC THERE. COLLECTORS WHERE YOU GET THE HEAVY TRUCKS AND IT DEGRADES FASTER. THEY HAVE LIKE A 10 YEAR HALF-LIFE COMPARED TO THE 25, WHICH ARE THE BULK OF THE AREA THAT YOU HAVE TO MAINTAIN. ASPHALT IS FINE IN THE RESIDENTIAL AREAS, BUT FOR THE MAIN STREETS THEY SHOULD LOOK CAREFULLY AND ONE OF THE UPFRONT COST WOULD JUSTIFY THE SAVINGS YOU GET OVERTIME BECAUSE YOU HAVE HAD P.C.I. FOR OVER A DECADE. THANK YOU VERY MUCH FOR LETTING ME MAKE THOSE COMMENTS.

>> Mayor A. Ishii: THANK YOU.

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

>> City Clerk: NEXT IS NANCY RADER.

>> Public Speaker: GOOD EVENING. MY NAME IS NANCY RADER IN DISTRICT 6. THANK YOU, DIRECTOR DAVIS AND COUNCIL, FOR PROVIDING THIS OPPORTUNITY. I THINK ABOUT THE AND LIMITATION OF MEASURE FF SO THE COMMUNITY CAN BE INVOLVED. I JUST WANTED TO FLAG TWO RECENT LETTERS THAT WERE SENT TO THE COUNCIL ON THIS TOPIC BY BERKELEY FOR ACCESSIBLE RIGHTS-OF-WAY, WHICH WAS SIGNED BY MANY GROUPS AND INDIVIDUALS WHO WERE CONCERNED ABOUT THE ACCESSIBILITY OR LACK THEREOF OF BERKELEY'S STREETS AND SIDEWALKS. THE LETTER URGED THE CITY TO USE MEASURE FF FUNDS AS AN OPPORTUNITY TO TAKE A HOLISTIC APPROACH TO PLANNING INFRASTRUCTURE IMPROVEMENTS TO BE SURE THAT NEW INFRASTRUCTURE SERVES EVERYONE'S NEEDS, INCLUDING OUR DISABLED AND SENIOR POPULATIONS AND TO SUBSTANTIALLY ADVANCE THE CITY'S COMPLIANCE WITH THE AMERICANS WITH DISABILITIES ACT. THESE GOALS SHOULD BE AT THE FOREFRONT AS THE CITY IMPLEMENT MEASURE FF AND UPDATES ITS BICYCLIST, PEDESTRIAN VISION PLANS. SADLY, I DIDN'T HEAR MUCH FOCUS ON THE PRESENTATIONS HOW THESE CRITICAL ISSUES ARE BEING ADDRESSED AND NOT FLAGGED AS A COUNCIL PRIORITY. I URGE COUNCIL TO MAKE SURE THAT THE A.D.A. AND ACCESSIBILITY ISSUES RECEIVE GREATER FOCUS MOVING FORWARD. THANK YOU.

>> Mayor A. Ishii: THANK YOU.

>> City Clerk: OKAY. NEXT IS BLAIR BEEKMAN.

>> Public Speaker: HI. BLAIR BEEKMAN. I HAVE BEEN TRYING TO LEARN TO PRACTICE TECH ACCOUNTABILITY IDEAS THAT FOR START ARRIVING IN 2014

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

AND 15 IN THE BAY AREA IN THE STATE AND COUNTRY. IT'S BEEN REALLY INTERESTING WORK. I HAVE BEEN BASED IN SAN JOSE. I FEEL LIKE PRACTICES ARE HELPFUL TO ALL CITIES IN THE BAY AREA, THE STATE, AND COUNTRY. I TRY TO SPEAK AT BERKELEY MEETINGS SOMETIMES I ATTEND. THIS IS I GUESS MY FIRST MEETING WITH NEW COUNCILPERSON'S AND THE NEW MAYOR. THANKS FOR THE YEARS OF WORK FROM MAYOR ARREGUIN. TO NOTE FOR PUBLIC MEETING ITEMS AFTER LONG PRESENTATIONS, I KNOW BERKELEY, THEY LIKE TO HAVE IT AS A STUDY SESSION PROCESS AND HAVE COUNCIL COMMENT AND QUESTIONS. IT'S A GOOD PROCESS, BUT TRADITIONALLY IT'S BETTER TO HAVE THE PUBLIC COMMENT FIRST BECAUSE THEN COUNCIL CAN HAVE QUESTIONS OF THE COMMUNITY. I'M TALKING ABOUT THE FEATURES AND I'M DONE NOW. I JUST STATED MY FEELINGS ABOUT HOW A MEETING SHOULD PROCEED. THAT IS THE STANDARD PRACTICE. I KNOW BERKELEY HAS THEIR SPECIAL WAY, BUT I JUST THOUGHT I'D MENTION IT.

>> Mayor A. Ishii: THANK YOU. THANK YOU FOR YOUR COMMENT.

>> Public Speaker: NO, MA'AM. I HAVE MORE TO SAY ON THE ACTUAL ITEM NOW IF I CAN GO AHEAD.

>> Mayor A. Ishii: THANK YOU.

>> Public Speaker: THANK YOU FOR RESPECTING MY TIME AND SPACE. TO SPEAK ON THE ACTUAL ITEM NOW I THINK IT'S IMPORTANT WE ARE GOING TO HAVE THIS NEXT YEAR IT SOUNDS LIKE MONEY IS NOT GOING TO BE COMING IN YET. TO ME, IT IS A TIME WE HAVE TO STILL BE CONSIDERING OUR IDEALS, OUR BEST PRACTICES FOR THE YEAR 2026 AND 27 WHEN MONEY AND PROJECTS HOPEFULLY START FLOWING IN. GOOD LUCK THAT WE TALK ABOUT TECH

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

ACCOUNTABILITY. IT'S IMPORTANT. I THINK THIS IS A COUNCIL THAT REALLY WANT TO ADDRESS TECH ACCOUNTABILITY AS AN EQUAL AND NOT JUST SECOND RATE AS OUR PREVIOUS DEMONSTRATION HAS DONE. GOOD LUCK ON THOSE EFFORTS AND GOOD LUCK HOW YOU TALK ABOUT THIS ITEM.

>> Mayor A. Ishii: THANK YOU. IS THERE ANOTHER COMMENT?

>> City Clerk: YES. THERE'S TWO MORE -- THREE MORE. NEXT IS HELEN WALSH.

>> Public Speaker: HI, MY NAME IS HELEN WALSH AND I AM A MEMBER FOR BERKELEIANS FOR ACCESSIBLE RIGHT-OF-WAY'S. I ALSO SIT ON THE COMMISSION FOR DISABILITY. I'D LIKE TO THANK YOU FOR THIS PRESENTATION AT OPPORTUNITY TO COMMENT. I'M GLAD THERE IS A VISION AND A GOAL. AS A PERSON WITH A DISABILITY, I ALSO HAVE A VISION AND A GOAL THAT SEEN THINGS THROUGH A HOLISTIC LENS INCLUDES THE DIVERSE POPULATION OF PEOPLE WITH DISABILITIES AND SENIORS. I AM CONCERNED THAT BERKELEY IS NOT GOING TO BE EQUITABLE WITH ROAD SAFETY PLANS FOR INTEGRATED IN ITS PLANNING. ACCESSIBILITY OF PUBLIC RIGHT-OF-WAY'S WAS NOT INCLUDED POSITIVELY. I DID NOT HEAR ANY CLEAR DATA OF INCLUSION OF AN A.D.A. TRANSITION PLAN FOR UPDATES AND TREATMENTS. I ONLY HEARD THE A.D.A. UPDATES AND TREATMENTS ARE UNFUNDED AND WILL ONLY TAKE 40% OF EVERY PAVING DOLLAR. ARE WE GOING TO ENSURE A.D.A. FUNDING FOR UPDATES AND TREATMENTS? DOES BERKELEY REALLY MEAN THAT TRANSPORTATION SYSTEM WILL BE ACCESSIBLE TO ALL? WHERE IS THE A.D.A. TRANSITION PLAN IN ALL THIS? THANK YOU FOR YOUR TIME.

>> Mayor A. Ishii: THANK YOU FOR YOUR COMMENT.

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

>> City Clerk: OKAY. NEXT IS MERYL SIEGAL.

>> Public Speaker: I WANT TO THANK THE COUNCIL FOR THEIR THOUGHTFUL QUESTIONS AND THEIR THOUGHTFUL PROGRESSION THROUGH THIS FF AND I WANT TO THANK MR. DAVIS AND HIS STAFF. IT WAS AN EXCELLENT PRESENTATION. THE ONLY THING I REQUEST IS THAT, AND I SEE I'M GOING TO RUN OUT, BUT IS THAT BUSINESSES ARE ALSO INVOLVED IN THE PLAN. SO OFTEN TIMES IN MY WORK HERE IN D1 WE TALKED TO BUSINESSES AND THEY HAVEN'T BEEN INCLUDED. SO IT'S REALLY IMPORTANT BECAUSE, YOU KNOW, INFRASTRUCTURE AND BIKE PATHS AND GREAT ROADS ARE REALLY NEEDED, AND SO ARE OUR BUSINESSES. [LAUGHTER] AND SO ARE OUR HEALTHY THRIVING BUSINESSES. I WAS GLAD TO HEAR A HEALTHY DISCUSSION ABOUT PUBLIC COMMENTS AND INPUT, AND LET'S NOT FORGET THE ECONOMIC DRIVERS THAT KEEP OUR CITY SO VIBRANT AND HEALTHY. THANKS SO MUCH.

>> Mayor A. Ishii: THANK YOU.

>> City Clerk: WE HAVE SHAINA RUSH.

>> Public Speaker: SORRY, I'M USING MY COWORKERS LOG IN. I'M NOT SHAINA. I LOGGED IN A LITTLE LATE. ARE WE ALREADY PASSED PUBLIC COMMENTS ON NON-AGENDA ITEMS?

>> Mayor A. Ishii: WE ARE IN THE SPECIAL AGENDA RIGHT NOW, ITEM NUMBER TWO. SO IF YOU HAVE A COMMENT --

>> Public Speaker: OKAY. NEVER MIND.

>> City Clerk: OKAY. THAT'S IT. NO MORE PUBLIC COMMENT.

>> Mayor A. Ishii: WE HAVE NOT ACTUALLY DONE COUNCIL COMMENTS. WE JUST DID COUNCIL QUESTIONS. WE JUST HAD A LOT OF QUESTIONS, JUST SO

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

FOLKS KNOW. DO WE HAVE ANY COUNCIL COMMENTS? NO COMMENTS. BRIEFLY I WANT TO SAY THANK YOU SO MUCH FOR YOUR PRESENTATION AND I REALLY APPRECIATE YOU TRYING TO SET EXPECTATIONS. OBVIOUSLY THERE'S A LOT GOING ON AND A LOT OF COORDINATION AND WE WANT TO MAKE SURE PEOPLE KNOW WHAT'S HAPPENING AND WE HAVE A REALLY TRANSPARENT PROCESS. I ALSO WANT TO BRIEFLY SAY YAY ON THE COMMUNITY FACING DASHBOARD. I THINK THAT'S A GOOD IDEA AND I THINK FOLKS REALLY DO WANT TO SEE WHAT'S GOING ON. THANK YOU SO MUCH AND I'M SURE WE WILL HAVE FURTHER ENGAGEMENT ON THIS. APPRECIATE YOU BEING HERE. ANYTHING ELSE? OKAY. WE DON'T NEED TO VOTE ON THIS BECAUSE IT'S JUST A REPORT, I BELIEVE, THAT WE'RE RECEIVING. THANK YOU SO MUCH FOR BEING HERE AND WE'RE GOING TO MOVE ON TO THE NEXT ITEM.

>> City Clerk: MAYOR, IF I CAN SAVE A LITTLE BIT OF TIME I CAN PRESENT FROM HERE.

>> Mayor A. Ishii: SURE.

>> THAT WAY WE CAN GET GOING AND WE CAN GO THROUGH THIS QUICKLY.

>> Mayor A. Ishii: JUST SO THE FOLKS KNOW AS YOU ARE SETTING THIS UP, WE HAVE ONE MORE ITEM LEFT ON OUR SPECIAL AGENDA MEETING. IT'S ABOUT 6:23. THIS WILL TAKE US, I DON'T KNOW, MAYBE 10-15 MINUTES. THEN WE WILL HAVE A SHORT COUNCIL BREAK. I JUST WANT TO LET FOLKS KNOW IN THE AUDIENCE SINCE MANY OF YOU ARE HERE FOR THE GENERAL MEETING.

>> THANK YOU. I'M THE CITY CLERK FOR THE CITY OF BERKELEY. THIS IS PART TWO OF OUR CITY COUNCIL REFERRAL PRIORITIZATION PROCESS. THIS IS THE RESULTS. BASED ON THE SCORING THAT WE SAW PRESENTED AT THE MARCH

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

11 MEETING. SELL AT THE MARCH 11 MEETING WE HAD THE RAW SCORES AND THE REFERRALS THAT WERE TO BE REMOVED FROM THE LIST. THIS MEETING WE WILL BE LOOKING AT THE ACTUAL RESULTS OF THE PRIORITIZED LIST WHERE WE TOOK THOSE RAW SCORES AND PUT THEM INTO THE ALGORITHM. THE RE-WEIGHTED RANGE VOTING SYSTEM IS A SYSTEM WHERE EVERY COUNCILMEMBER ASSIGNS A SCORE OF 0-5 TO THE COUNCIL REFERRALS THAT HAVE BEEN ASSIGNED TO THE CITY MANAGER. AND THEN THOSE SCORES ARE TALLIED AND WE COME UP WITH THE HIGHEST SCORE AND THAT'S THE NUMBER ONE PRIORITY. FOR THE REMAINING REFERRALS, THERE IS A REPEATED PROCESS OF RE-WAITING FOR SCORES THAT COUNCILMEMBER VOTES ARE WORTH AND CONTINUALLY REASSIGN ALL THE WAY DOWN FROM 1-43 IN THIS YEAR'S LIST. SO IN THE COUNCIL ITEM ATTACHMENT ONE EXHIBIT A, THAT IS THE FINAL RANKINGS. THAT'S THE PRIORITIZED LIST BASED ON THE SCORES THE COUNCIL ASSIGNED. THE TOP PRIORITY ALL THE WAY DOWN TO THE NUMBER 43 PRIORITY. AND THEN ATTACHMENT TWO HAS THE FINAL RANKING SCORE, BUT IT ALSO INCLUDES THE RAW SCORES FROM COUNCILMEMBERS. SO THE RESULTS OF THE PROCESS, AND AGAIN, CONGRATULATIONS TO OUR COLLEAGUES FROM PUBLIC WORKS WHO WERE JUST HERE. THEY HAVE THE MOST COUNCIL REFERRALS. I THINK THIS IS THE THIRD YEAR IN A ROW FOR THEM. PLANNING PREVIOUSLY HAD THE CHAMPIONSHIP BELT, BUT PUBLIC WORKS IS BACK ON TOP. SO THAT IS THE TOP 20 THERE SORTED OUT BY DEPARTMENT. I THINK PUBLIX WORKS ALSO HAD SOMETHING LIKE FOUR OF THE TOP SIX. THEY DEFINITELY ARE HEAVILY REPRESENTED ON THE PRIORITY LIST. AND THEN ACROSS THE BOTTOM THERE IT SHOWS ALL THE DEPARTMENTS THAT HAVE ANYONE OF THE 43 PRIORITIES.

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

CERTAINLY WHEN IT COMES TO ADDRESSING THESE PRIORITIES, AS WE JUST SAW, SOME DEPARTMENTS ARE OVERREPRESENTED AND THEY HAVE CAPACITY AND WORKLOAD CONSIDERATIONS THAT NEED TO TAKE INTO EFFECT. ONE OF THE PRINCIPLES OF THIS PROCESS IS THAT THE CITY MANAGER DOES HAVE DISCRETION IN ASSIGNING REFERRALS. WE DON'T JUST GO ONE, TWO, THREE, FOUR, FIVE, ALL THE WAY DOWN THE LIST. THERE HAS TO BE SOME ACCOUNTING FOR THE CAPACITY AND WORKLOAD AND THE SPREAD OF THESE PRIVATIZATIONS THROUGH THE VARIOUS CITY DEPARTMENTS. SO THE ACTIONS FOR THIS MEETING IS TO REVIEW THE LIST. COUNCIL COULD DETERMINE IF THERE ANY ADDITIONAL REFERRALS IT WANTS TO REMOVE FROM THE LIST. AND THEN THE FINAL ACTION IS THERE IS A RESOLUTION IN THE ITEM TO ADOPT THIS PRIORITIZED LIST FOR THE 2025 COUNCIL REFERRAL PRIORITIZATION PROCESS. AND THAT CONCLUDES MY PRESENTATION.

>> Mayor A. Ishii: THANK YOU SO MUCH FOR THE PRESENTATION. COUNCILMEMBER TREGUB, I SEE YOUR LIGHT, BUT WE ARE DOING COUNCIL QUESTIONS. DO YOU HAVE A QUESTION?

>> I. Tregub: I DO NOT HAVE A QUESTION.

>> Mayor A. Ishii: ALL RIGHT. ANY OTHER QUESTIONS BEFORE WE TAKE PUBLIC COMMENT? THIS IS ON ITEM NUMBER THREE PRIORITIZATION RESULTS USING REWEIGHTED RANGE VOTING. ANY ONLINE?

>> City Clerk: THERE IS ONE ONLINE COMMENTER. THAT IS BLAIR BEEKMAN.

>> Public Speaker: HI, THANK YOU. BLAIR BEEKMAN. THIS SOUNDS LIKE AN INTERESTING ITEM. GOOD LUCK AND HOW THIS PROJECT CAN DEVELOP IN BERKELEY. I'M ORIGINALLY FROM SAN JOSE. WE CAN BE A BIT NEAT AND

Unofficial Text File

This information provided by a Certified Realtime Reporter. The City of Berkeley cannot certify the following text since we did not create it.

PROCEDURAL IN SAN JOSE. SORRY IF I RUFFLE ANY FEATHERS. GOOD LUCK IN YOUR WORK ON THIS ITEM.

>> Mayor A. Ishii: OKAY. MOVING ON TO -- OH, ARE THERE ANY OTHER COMMENTS?

>> City Clerk: NO OTHER COMMENT.

>> Mayor A. Ishii: MOVING ON TO COUNCIL COMMENTS. COUNCILMEMBER TAPLIN IS FIRST.

>> T. Taplin: THANK YOU VERY MUCH. I WANT TO THANK MY COLLEAGUES FOR PARTICIPATING IN THE R.R.V. PROCESS AND WATCHED FROM HOME. WITH THAT, I MOVE ADOPTION OF THE RESOLUTION.

>> I. Tregub: SECOND.

>> Mayor A. Ishii: THANK YOU. COUNCILMEMBER -- THE COMMENTS HAVE GONE AWAY. IN THAT CASE, DO YOU WANT TO TAKE ROLL OR SHOULD WE APPROVE THIS UNANIMOUSLY? OKAY.

>> I. Tregub: SORRY, I FORGOT TO SAY THIS. I DID NOTICE THEY WERE A NUMBER OF REFERRALS THAT WERE -- I WAS WONDERING FROM AN OPERATIONAL PERSPECTIVE HOW STAFF HANDLES SEVERAL REFERRALS THAT ARE DISTINCT BUT UNRELATED.

>> SO I WORK WITH THE DEPARTMENT ECHOES THE REACH REFERRAL AND SEES WHICH DEPARTMENT -- IT MAY BE AS YOU ARE SUGGESTING THAT THEY HAVE THE CAPACITY TO DO TWO AT THE SAME TIME IT'S A DIFFERENT DIVISION WITHIN THE DEPARTMENT, SO WE HAVE THOSE DISCUSSIONS. I WOULD PREFER THEY STAY AS THEY ARE, FRANKLY.

>> COOL. THANK YOU.

>> Mayor A. Ishii: THANK YOU FOR YOUR QUESTION. IF THERE'S NOTHING ELSE, THEN I WOULD LIKE TO PASS THIS UNANIMOUSLY. OKAY. LOOKS GOOD. ALL RIGHT. THANK YOU SO MUCH. OH, IS THERE A MOTION TO ADJOURN?

>> MOTION TO ADJOURN.

>> Mayor A. Ishii: OKAY. AGAIN, CAN WE END UNANIMOUSLY? WE ARE ADJOURNED THEN. THANK YOU SO MUCH. FOLKS, WE ARE GOING TO TAKE A 15 MINUTE BREAK.

>> RECORDING STOPPED.

>> Mayor A. Ishii: I APOLOGIZE. I KNOW MANY OF YOU ARE HERE FOR THE NEXT MEETING. APPRECIATE YOUR PATIENCE AND APPRECIATE YOU BEING HERE. HAVE A STRETCH, GET SOME WATER.

[MEETING HAS ADJOURNED]

[COUNCIL BREAK]
